## **WORKSHOP - AN INTRODUCTION TO CARTING**

The Rocky Mountain Bouvier des Flandres Club held an Introduction to Carting Workshop on Sunday, June 9, 2013 at Patti Davieau's home and carting course in Black Forest, CO. The workshop was open to all breeds with Bouviers getting priority to register. We had a great turnout that included 6 Bouviers, 2 Rottweilers, a Berner, a Malinois, 2 Black Russian Terriers and a spaniel. Patti Davieau was our instructor.

She stressed the need to not skip steps or hurry on from one to another before the DOG is READY. Too often the handler wants to get to the goal without doing the work needed to get there successfully. We recommend that you give carting a try.
