Important New Announcement Concerning the ABdFC Versatility Bouvier Program

****DEADLINE for this year's Specialty is AUGUST 1st****

In the past few years, the AKC and other National clubs have introduced numerous new performance venues for our dogs to participate in for new titles and awards. The Versatility Committee wanted to recognize all Bouviers who have participated in all of these new and fun categories of Performance. **Our New Revised Program** includes these new additions as well as the new title of Versatile Bouvier Grand Champion.

Both the **Current Program** (revised 2-05-2016) will be honored as well as the **New Revised Program**

(approved by the Board on 2-17-2017) for this year's 2017 ABdFC National Specialty. Members are welcome to choose which program they wish to be considered. Please note that the

New Revised Program

will officially replace the former program

after

the ABdFC Club National Specialty the end of September 2017. For this year only, please indicate which program you would like to apply for by filling out the appropriate application provided above.

As always, the Versatility Committee welcomes any questions and comments. Please contact the current Chair, Karen Kimbrough at 512-422-6146 or email: bluedogmama@yahoo.com .
