

ABdFC Versatile Bouvier Awards Program (Revised 2-2018)

The Bouvier des Flandres is a versatile dog and maintaining that characteristic contributes to the health and standards of our breed. The breed's heritage should be apparent in modern dogs. The ABdFC Board of Governors feels that awarding the titles of Versatile Bouvier Basic (VBB), Versatile Bouvier Excellent (VBX), Versatile Bouvier Champion (VBCH) and Versatile Bouvier Grand Champion (VBGCH) will help maintain these breed characteristics. However, award titles are not restricted to just our breed's "heritage". Since we do very little droving of cattle down farm roads today, other titles also represent what Bouviers do in modern times. The focus of these annual award titles is to encourage owners to train and enjoy their Bouviers in a variety of ways, with heritage venues earning higher point values than activities that are not necessarily heritage in nature. Versatile Bouvier titles are awarded once a year at the ABdFC Annual Awards Dinner, held in conjunction with the National Specialty. Each Member team will receive an Award Certificate and a medallion or plaque signifying the level of each team's accomplishments. The Bouvier's name and titles will appear on the back. Awards earned will be Bronze-tone for VBB, Silver-tone for VBX, Gold-tone for VBCH, and a plaque for VBGCH. There is no cost to the Applicant.

POINT TALLY NOTES

- The Bouvier named on the application must be owned by an AMERICAN BOUVIER DES FLANDRES CLUB member at the time the application is submitted.
- Points from "Owner Service Activities" are mandatory for all titles as outlined below.
- A minimum of 1 point from Category I - Conformation, is required for all titles.
- Points from the Heritage Categories are required for titles VBCH and VBGCH as outlined above.

The highest title earned in any category will be counted for that category. If a category contains subsections, the highest subsection points will be counted and not combined for total points. The highest title earned in a subsection will be the one counted, or if a tie exists between subsections, then one of the highest subsections' titles is to be selected for that categories points. No more than 2 points may be awarded from Category XI and Category XII.

DOCUMENTATION REQUIRED

The following are acceptable means of documentation for titles. Send by regular mail or .pdf scan/email. **Please do not send originals.**

- AKC Points and Title Progression Report
- AKC title certificates
- Certificates or awards from organizations other than AKC - required in order to receive credit under a particular category. These must be earned through a local, state or national organization, or affiliation with such an organization. For International titles, see below.
- Verification for credit for Owner Service Activities requires the signature of a witness or published documentation.
- Verification for Category XII will need to be evaluated by the Versatility Committee. Contact the Program Chair for specific credit approval.

*** INTERNATIONAL MEMBERS:** This ABdFC awards program is organized around AKC/American dog club titles. However, foreign titles may be accepted under the condition that titles meet or exceed the standards for AKC titles here in this program description. It is the responsibility of the International Member to provide detailed, qualifying information about foreign titles earned. Credit will ultimately be determined by the members of the Versatility Committee.

Deadline for applying each year is August 1st

If you think your Bouvier has met the requirements for a Versatile Bouvier Award, please fill out the Versatile Bouvier Application Form provided on the website and send it along with the required documentation to the current Program Chair:

Karen Kimbrough
511 Rocky River Road
Austin, TX 78746-5341

If you have any questions about eligibility, please contact Karen Kimbrough at: 512-422-6146, or email: bluedogmama@yahoo.com

Titling Categories

Categories are listed below describing the points earned for each activity. The program will try to keep up with the newly recognized AKC events in which Bouviers can obtain titles.

OWNER SERVICE ACTIVITIES - Required for every title

This category requires the applicant member to have a certain minimum number of volunteer activities oriented toward community service. The member's activities must be distinctly different in nature each time. For example, teaching 3 classes at the member's local kennel/training club would be considered one (1) activity.

Your volunteer activities are not limited to the ABdFC and/or to Bouviers but should be dog oriented. Here are just a few examples of qualifying activities--chairs an event/committee for your local kennel club/community organization, holding an elected volunteer office or board position, writing an article for a journal or magazine, teaching a class/seminar for an organization, participating in demonstrations such as "Meet the Breed", or volunteering at a local shelter/rescue group.

***Once you have documented a Service Activity, the points earned for that activity will apply to all of your dogs for the purpose of the Versatile Bouvier Program for a period of five years. The time limit starts with your first submitted activity. In case of two or more owners, the one who actively shows the dog is responsible for Owner Service Activity points. Combining points is allowed if all owners show the individual dog.**

Verification for each activity requires signature of a witness or published document. If you are unsure as to whether an activity will qualify for this category, please contact the Program Chair.

Required points from this category are:

- VBB - 1 point required - for one activity
- VBX - 2 points total required - two different activities, accumulated from previous title
- VBCH - 3 points total required -1 point each for three different accumulated activities
- VBGCH - 3 points taken from the VBCH award
