2017

Welcome to the Top Twenty

We welcome you to the Top Twenty 2017.

We would first like to extend our greatest appreciation to the past Top Twenty Committee, and a huge thank you to Susan Upcraft and Susan Vroom. Without these folks, we would not have a Top Twenty. The work and devotion they put forth deserves recognition by all of us.

2017

As this is our first Top Twenty, the committee has done an incredible job to fill some awfully big shoes. I would personally like to thank our IT support group of Wade Chitwood and John Saum. Their help was invaluable I would also like to thank Janet Snazuk for her expertise. To our other assistants Rose (Bunny) Brittenham. Margaret Brown, Shawn Spendiff, and Lynn Brimmer. Thank you all for taking on this assignment.

Congratulations to all these wonderful representatives of our beloved Bouviers.

Representing Bouvier des Flandres Breeders

Rebecca Allen-Robbins

Rebecca was born into the Bouvier world and her life long focus has been on the betterment of the breed. Her mother, Judith Allen of Joy-A-Len Kennels, began breeding Bouviers in 1969. At the age of five, Rebecca chose her own puppy, Am/Can CH Joy-A-Len's Saucie Sally. She proceeded to show Sally herself and obtained both American and Canadian championships. Since that time her love of the Bouvier has grown and after being very involved with her mother's Bouvier breeding program as a teenager, she started her own breeding program (Robbins Bouviers) in 2005. Starting as a junior exhibitor, she has continued to successfully show many dogs over the last 35+ years to finish their American, Canadian, and UKC championships, with several dogs earning titles in the following of all three venues: conformation, obedience, agility, draft dog, barn hunt, and is currently involved with Therapy Dog work. Rebecca has bred and owned the first and second Bouvier to obtain combined Grand Champion status in AKC, CKC, and UKC - Robbins Majestic Serenade, and Robbins Majestic Prince Charming respectively. Since 2005, she has also had a Top 20 qualifier in conformation and performance.. With her 25+ years of Bouvier breeding experience, she continues to make temperament and health her main priority

Representing Multi Breed Judges

Dr. Vandra L. Huber has been involved in the sport of purebred dogs for more than 35 years. Under the Kennel name of McVan®, she and her husband Michael Krolewski have bred more than 125 American champions and 50 Canadian champions. Her Scottish Terriers have garnered national specialty honors in the USA and Canada and have gone Best in Show at Crufts and the Westminster Kennel Club. Additionally, she has had top ranking Scottish Terriers in Canada, Australia, Thailand and Singapore. She currently owns the top specialty winning Scottish Terrier of all time.

Vandra L. Huber, PhD

Dr. Huber also has owned and bred several other terrier breeds, namely smooth and wire fox terriers, border terriers, cairn terrier, miniature schnauzer, as well as an affenpincher, bearded collie, wire-haired dachshunds and a miniature poodle. The poodle was No. 1 when it was shown in Canada. She is a preservation breeder who attempts to breed dogs that exemplify the standard. She is an AKC breeder of Merit and a Mentor for the Scottish Terrier Club of America.

Dr. Huber is licensed by the American Kennel Club to judge all terriers, the toy group, all poodles, numerous herding breeds bearded collies, and miniature schnauzers. She has judged Scottish Terrier national specialties in Japan, Germany and the United States. Internationally, she also has judged in Australia, China, Denmark, Norway, Sweden (World Terrier Show), Thailand, Finland, Latvia and Russia. Vandra is passionate about the sport of purebred dogs and enjoys traveling internationally to judge.

After a 35 year career in academics, Dr. Huber is now an emeritus professor of Human Resources and Management at the Foster Business School at the University of Washington, Seattle, WA. She currently consults and serves as an expert witness on human resources issues. She is the author of several textbooks and more than 50 academic articles. An avid world traveler, she was a Fulbright Scholar in Thailand and has been a Visiting Professor at Korea University. She also led student study groups to India, South Africa, and Peru and worked on a humanitarian project in Uganda.

Representing Professional Handlers

I have been involved in pure bred dogs my entire life. I am a third generation dog person. As a young person I would work for my dad (Wood Wornall) during the summers and any weekends he needed help. After school I worked professionally as a hunter jumper trainer, but dogs were always in my blood. Eventually I returned to the dog world working full time for my dad. When he retired myself, my husband Christian Rangel, and Andrew Peel took over the business. I have shown many best in show winners from the hound, terrier, toy, non sporting and herding groups. I won best in show at Montgomery Co in 2007 the biggest terrier show in the world. Together with my husband I breed pointers. And together with my mom I breed cavalier King Charles Spaniels. I am honored to have been asked to judge your top 20 as yours is a breed I have always been fond of. I truly look forward to this evening.

Lucas

GCHB CH Cobeauche Night's Whisper CGC

My Boy, Lucas, what can I say? It has been an exciting journey. We spent a lot of years with Grate Danes and Mastiffs but now we wanted to size down and still have the guarding traits but without all the shedding and drooling. I spent quite a while narrowing my breed choices down to my lifestyle and needs out of a companion dog. Then months of researching breeders to bring it to one breed and one breeder and that was Mariko Saum with Cobeauche Bouviers. After long conversations of interrogating each other, which I expected nothing less, I planned a trip to see some of Mariko's dogs at a show. Now, being a horse person first and foremost, I can see conformation and movement or as the dog world likes to say, form and function. When seeing her dogs I was hooked and got on the waiting list. The long long wait for the right dog was well worth it. Lucas was one of two males out of the litter and the breeder wanted them both finished. I had no idea what was involved but I did know horse shows and Lucas is so well put together that I had no problem making the leap. It has happened so fast and with limited local shows. Now here he is, and such a beautiful representation of the breed and the breeder's program from his wonderful temperament to his beautiful movement, gorgeous head and outstanding conformation. Beyond all of that, what is more valuable to me is his natural instincts as a service dog. He is an Alert Dog as well as a Balance Assist Dog. He is also a much-loved house dog and protector. I am so proud of our breeder, Mariko Saum with Cobeauche Bouviers, and her efforts in the breed, her emphasis on clean health and her true concentration to form and function of the breed. This award is a reflection of all her efforts. Bravo!!!

I am so proud that Jason has qualified for his third Top Twenty. While he is not in attendance this evening, it does not diminish this honor.

Jason is at home relaxing and beginning his second adventure in a performance event. He has successfully competed in lure coursing and now is in training to participate in herding.

RBIS GCHB CH Margaux's Call To Arms

When Sandi Lyon called and asked me if I wanted a new male special, I was shocked, and said who? That had to be my lucky day and I know now that good things come to those who wait.

Talk about good! Chumley has been an absolute joy to live with and a delight to show. He came by his success naturally. He is the offspring of Kobe and Grace, both Specialty Best In Show winners.

As a class dog in California, Chumley often won breed over Top ranked specials. He was awarded Winner's Dog at the 2013 Specialty in Texas. As a special in 2015, he finished #5 All Breed. In 2016, with partial showings, he finished #7 All Breed, and with a Reserve Best In Show. He retired after the 2016 Specialty.

Tonight we wish all contenders a big "Congratulations" on a year of excellence.

Margot

GCh Margot High Jinxx Au Dela Des Mers

A third generation Champion from Au Dela Des Mers, her father a 2012 & 2013 Top Twenty dog himself, our 2013 model, Margot was born in Arizona with Judith and raised with us in California. Margot started her conformation career and achieved her Championship and Grand in short order. She attended the 2015 National Specialty in Loveland , CO where at the Rocky Mountain Regional she was awarded Best Opposite Sex over a large impressive group of Specials.

Margot became the mother of four pups in September 2016, then went back in to the conformation ring in April to qualify for the 2017 Top Twenty in the last month of point collection. We were delighted that she qualified and continues to have a very successful year showing. With her “look at me” personality she has accumulated multiple group placements and has twice won the group. As proud as we are of her puppies – three of which are already pointed for their championships – we know that Margot is not finished surprising us with her enthusiasm for showing and being an Ambassador for the Bouvier breed.

At home or on the show road, she is personable and engaging. Between shows, she is working her way up to the title of “Head Bitch” at home and keeps herself busy keeping us safe from all manner of things that she feels we need protection. But after a grooming, Margot has her bags packed and ready by the door so she can get out and strut her stuff. We look forward to seeing where she goes and what she will accomplish along the way.

Vinny has been a pleasure every since I first picked him up. His desire to please is more then anyone could expect. He got his Championship before he was a year old and his first group three at ten months. Vinny continued on his trek and got his first best in show at 16 months and finished 2016 and 2017 as the top Bouvier and in the top three in the herding group in Alaska. Top ten 2016 and 2017 and on the cusp of attaining his Silver Grand Championship I cannot say enough about him other then to thank Elaine and Louise Paquette for allowing me to get this boy while I was at the nationals three years ago in Mo. And a very special thank you to Leslie Batchelder for all the time she has spent grooming and handling him to this level of competition.

Not only has Lilly excelled in the Confirmation ring since her debut just 2 years ago, she has a huge following of admirers who come to visit her in my office. She loves children and people of all ages. As we prepared to enter the Breed ring at our all Breed Show this past March, we were delayed as she lit up a smiling face on a severely handicapped little girl who just needed a snuggle! I knew then and there, this is a Best In Show dog each and every day!

I am proud to be her owner and handler and grateful for the Bouviers in my life! I am a better person because of them.

GCHB Terra-Nevada's Nobody does It Better

Minion is a sweet and affectionate girl, who when she is not running around the ring, enjoys eating the garden and digging giant holes to uncover the drip system! She spent her first 6 months covered in mud! No small undertaking, considering her desert roots.

She is a lovely second generation top 20 Bouvier, with her dam being honored in 2015. She is fully OFA health tested for eyes, hips, elbows, and heart echo. We feel very blessed to have such a sound and beautiful girl.

Thanks to Susie and Jorge Olivera, and their team, she has matured and blossomed to achieved beyond our dreams. She was AOM at the Southern Cal Regional Specialty with fierce competition, and aside from her many BOB wins, she has won multiple group one's and also multiple group placements. We are so proud and honored to have her represent the breed.

Cajun

Bon Idee's Let The Good Times Roll MXP AJPNFP CAX CGCAPT CN VN

2017 marks the 3rd consecutive year that Cajun has had the honor of being in the Performance Top Twenty, moving up the list each year. She turned 5 this summer so she has many competition years ahead of her. Cajun likes every sport we have tried: agility, herding, nose work, coursing, barn hunt, and carting. This spring we added in rally and obedience, and therapy dog work which elicits a compassionate and patient side of her that pleases me no end.

Angie thinks Cajun picked me out and I thank her and Dayle for honoring purple puppy bitch's choice. I also want to thank Jim Basic of PowerPaws for helping her do her best in agility, Clint Abbott, her herding instructor, Brenna Mooney who got us started in carting, and Lenore Mooney who keeps her looking beautiful.

Congratulations to all the other wonderful bouvieres who made the list and a sincere thank you to ABdFC for honoring working bouvieres

Hunter

Thank you to the ABdFC for providing the PT20 program and recognizing the annual achievements of the Top 20 Performance and Elite Bouviers.

Hunter has been a joy to raise and train. He is totally patient with me and has allowed me to experience dog shows and performance competitions over the past several years “through his eyes”.

As we were getting his CH behind us, I started him in performance by sampling various venues and then following the ones further that he seemed most to enjoy. This has given him a broad base in obedience, rally, lure coursing, herding and carting.

I noted through this journey, that he loves the events where he and I are the most in touch—rally for example—its constant changes of patterns from one rally sign to another and the ongoing communication that rally allows. Although he is the most enthusiastic at herding, I still need to figure out how to tamp down that ‘sheep enthusiasm’ if we are going to go farther.

As to carting, he is totally “on the job”. He is always listening to me and watching for my instructions as we do the draft work. That has allowed us to earn him an ABdFC MDDX title, a NAWBA Grand Master Draft Dog title including 3 HIT’s, and to have 3 of the 5 needed Bernese Mountain Dog draft dog legs towards their Master Draft Dog title. As to this next year, my plan is to: try our hand at tracking; continue with the challenges of his prey drive when it comes to herding; and, finish his qualifications for both the ABdFC Champion Draft Dog (CHDD) title and for the Bernese Master Draft Dog title.

What a joy it has been to have this girl in my life! She is turning 12 this year, and although she is retired, she still has the heart of a champion. She earned her Championship Title in Carting this last year, and got to compete as a brace team with her young protégé, Mina. She also competed in Brace Obedience, where she was annoyed at Mina's inability to perform up to her very high standards. She put up with her, however, and they did win their class. She has been my partner through all things dog, and human, and she will always have my heart. We are honored to finish her career in the Performance Top 20, among so many wonderful, working bouviers.

I am honored and blessed to present Zeke this year; his fourth appearance in the Performance Top 20, second in the Top Elite and two years since his Mast Cell Tumor diagnosis. Zeke is my first Bouvier and I have welcomed five more of these magnificent beasts into my home.

Zeke showed a natural aptitude for herding, always fair to the livestock, and biddable in his training as his (and his handler's) skills advanced. Like most Bouvier males, Zeke did not mature until 4-years when his herding career blossomed. Over the last 7 years, we have traveled the country competing in unfamiliar environs while slowly climbing the ranks and presently competing at the Advanced levels of AKC, AHBA and ASCA. He finished his AHBA and ASCA Herding Championships in 2016; only the second Bouvier and twenty years in the footsteps of the first, Pam Green's "Bones". He continues to chip away at the final precious points for his AKC Herding Championship.

It is a pleasure to be invited back to the Top 20 Performance Event again for Mardi's 2nd time. Mardi is a pleasure to work with and live with. On the agility course she is a live wire, all out machine. I have now learned how to handle such a fast Bouvier that we are working well together as a true Team. In December 2016 we were invited to the Agility Invitational held in Orlando Florida, where Mardi ran clean all runs and qualified for the Finals!!! It was amazing that She ended up 10th place overall for all 24inch height dogs of all breeds. She also earned the Top Bouvier Medallion. We are invited back again this year and we will do our best to represent the Bouvier.

In May 2017 she earned her Preferred Agility Championship.

We are honored to be invited back to the Top 20 Performance for the 5th year in a row. Winnie has always been an exceptional dog, ready and willing to go on our next adventure. Our journey together took us many places. We learned the sport of agility, traveled around to many trials and ended up earning a PACH in February 2016. We were invited to the Agility Invitational twice where Winnie won the Bouvier Medallion in 2015. We ran agility until Feb 17th 2017 when we stepped to the line together for the last time. Winnie ran to the light March 8, 2017. She is greatly missed

Mal

CH La Chanson's Moonraker RN PT CAX2 DD THDA RATN CGCA MDD CN

First experiences always have a special place in our hearts and memories. As first-time Bouvier owners and first-time handlers, Lenore and I could not have asked for a better dog to begin our journey with. Our start in performance activities has been full of “firsts” and we are so proud of all that Mal has accomplished. In just two years, he has earned sixteen titles in eight different activities. In November of 2015, Mal became the first Bouvier to earn the Coursing Ability Excellent (CAX) title, and a year later became the only Bouvier to date to earn a CAX2. From nosework and coursing to herding and carting, he has proven himself willing and able to work hard, learn, and accept any challenge that we ask of him. In addition to his work in performance activities, Mal makes regular therapy visits to children's hospitals and special education centers. With over 100 visits in his first year, he has made himself an important part of the lives and learning process of the children that he visits. We are so touched that he can provide others with the same love, comfort, and joy that he gives us.

Mal's intelligence and eagerness to please has made him a pleasure to work with, and his sweet, goofy attitude makes every step, stumble, busy day, and long drive worth it. We are so grateful to Pilar and Rod for giving us the opportunity to have Mal in our lives. His temperament, stability, and willingness to work is a testament to their quality breeding. When you're new to performance activities, it truly does take a village to raise a handler and their dog. My sincere thanks to the incredible Jill Reifschneider for welcoming us into her herding family and providing us with the instruction and support we needed to make our herding dream a reality. We are also tremendously thankful for the Pacific Northwest carting community that is so dedicated to keeping this important heritage activity alive. To the ABdFC and the volunteers who make this program possible, thank you for your time and hard work, and for creating and maintaining this wonderful celebration of Bouvier versatility in performance events.

He also had a good time herding earning his started duck and cattle titles and winning the Tami White Award at the 2016 Nationals.

Also at the 2016 Nationals Rain was High Combined in Rally.

He also finished his PCDX title. Not bad for a 9 year old dog.

Zoey

Ch Lamadero's Eyes On The Prize By Reidsan CD BN RN NAP OJP NFP CGC THDN MDD

“Zoey” means Life in Greek and Life is defined as the ability to grow and change. Zoey has exhibited the characteristics of her name very well. This year she has really begun to blossom with more confidence in competitive sports, especially in obedience and agility. Along with the blossoming confidence comes more than a few “blow off” runs at trials too. Still, with each trial, I am ever hopeful that the Zoey that shows up is the consistent performer I know she can be.

Since she was 6 months old, Zoey's kind and tolerant demeanor has made her a constant fixture at numerous local canine public education events and dog sports demonstrations. She's been a good ambassador for the breed and it is not unusual to have kids and adult approach us at an event and say, “Hey that's the library dog” or “that's the Critterfest dog.” At heart she's a social butterfly; curious and willing to meet and greet humans or canines alike. I am so lucky to have her and I'm looking forward to her continued growth and changes as we venture into more advanced levels of training. It has been an exciting ride so far.

I would like to add that it is an honor to be a part of this wonderful event again and I would like to thank Zoey's breeder, Wilbert Reid, for allowing this exceptional companion to come live with us. I would also like to thank the members of the South Plains Obedience Training Club of Lubbock for all their support and guidance.

This has been another wonderful year for Brutus. God blessed us again. He is the first Bouvier with a MACH and PACH title. He received seven Master's Preferred titles since last year and ended up at #1 Preferred agility for 2016. He is the #2 Preferred Bouvier in agility for 2017 AKC Invitational.

He is still running fast and having fun but we will slowly be retiring him over the next six months. Every run we have left I treasure. Thank you big boy for teaching mom and Casey your little sis how to run agility.

Nine years ago I called Sandi to for a puppy. I told her I wanted a boy, I didn't care if he was a conformation dog, I just wanted to run agility with him. Sandi you picked the perfect pup for me. He is my best friend and partner. Thank you.
