A Letter To Our Friends

It is with great pleasure we welcome you to the **2021 Top 20 celebration**. Certainly, we have all been apart and away from our much loved dog events, especially the Bouvier National for too long! Although so many things have changed, it is comforting to see a reawakening of conformation and performance events in full force. While we are doing things somewhat differently than we have in the past, we're still packing up the car with dogs and equipment and heading out to participate in whatever venue we choose. Old friends, new friends and just getting back to something that feels somewhat normal has been wonderful! This year we are thrilled to be able to showcase 8 Elite Performance Dogs. These dogs have achieved Championship titles in their chosen venue – rally, agility and carting. They are joined by 19 other Bouviers who have excelled in their chosen performance events. From running agility courses, sniffing out designated targets, carting, rounding up livestock or competing in obedience and rally; there truly is something for everyone to do with their Bouviers! If you have not dipped your toe in any of these activities, you really should give it a try. In addition to the challenge of learning something new, you will meet some great new friends, and enjoy working as a team with your dog. It is our hope that every year we will extend our congratulations to as many Elite and Top Performance Bouviers as we have this year!

Of course, we are also pleased to present both our traditional Conformation and Owner Handled Bouviers this evening. Whether it is with a professional handler, or with their owners by their side, these dogs have risen to the top rankings of the Conformation world. While they are not literally jumping through hoops (for the most part!), there is a tremendous amount of time and effort that is required to attain this level of success. Whether it is coat maintenance, ring training, chauffeuring canines and equipment from place to place, or strutting in front of a judge, every dog here has a team behind them. Whatever the size of the team, the results shine bright tonight!

If you are with us this evening, we hope you will enjoy celebrating with this group of impressive Bouviers and their people. If you and your dog are included in the "Top 20", but were unable to travel to Utah, we hope that you will enjoy perusing this catalog and enjoy the beautiful rosette that recognizes your hard work, and we hope to celebrate with you next year. If you are new to the Top 20 event, conformation or performance, we appreciate your interest and participation, it means so much. Our goal is always to present a pleasant evening while saluting our stars!

Have a wonderful specialty week – we hope to see everyone next year in St. Louis!

Your Top 20 Committee

In Memory of Sue Vroom

By far the most difficult task associated with this year's Top 20 event, is preparing this page of the catalog. How to properly recognize the loss of such an integral part of this Bouvier community, the specialty, and most profoundly, this committee? Most everyone who has been a part of the Bouvier breed, the ABdFC, or shown a dog at an AKC show, have their own memories and fabulous stories to tell.

Sue was always easy to spot, between her height, natural beauty and fashion sense, she certainly stood out in any crowd. Those characteristics are all good to have, but more important were the other things that most of us will always remember – her willingness to share her knowledge and support others through written means, verbal explanation, or physical demonstration. From chairing all breed shows or breed specialties, writing for several publications, educating prospective judges, supporting juniors or during her time as an Executive Field Rep for AKC, answering a million questions, and solving a million problems, she did so with grace and wit.

Those of us who were fortunate enough to work with her closely on this committee experienced 10 years of her commitment to and bettering of this event; she would tell you it was a labor of love, and we all knew for her it was. Sue's vision for Top 20 was always to fill the room with wonderful Bouviers and provide the very nicest evening we could to salute their success. As a committee, we will do our best to honor that vision moving forward. We chose the photo on this page because, who would not think of Sue with a glass of wine in her hand, and a beautiful Bouvier at her side?

To honor our friend, do what she would do – share your expertise and knowledge with others, get your business taken care of, approach everything with quick wit, love your family, and always raise your glass with a friend and beautiful Bouvier at your side!

Here's to you friend, we will always miss you.

TOP TWENTY 2021
Judges

HANDLER JUDGE

Doug Carlson

Doug was born into the sport of purebred dogs. His original breed was Weimaraners. Doug has handled many top Bouviers to Best In Show, Best In Specialty Show and National specialty wins.

Hobbies outside of dogs include coaching hockey and practicing his daddy/daughter dances. He lives in Savage MN with his wife Mandy his son Eric and daughter Emma.

AKC JUDGE *Nancy Eilks*

I didn't get my first dog, a Bouvier, until after I was married. Knowing a big dog needed to be trained, we entered the dog show world through obedience classes and good mentors. Breeding under the Blackstone prefix, Doug and I have bred nearly 100 Champions, a number of obedience titled dogs, and a smattering of other performance titles. I piloted Ch Blackstone's Og Mandino, CD to a Top 10 finish, mostly owner-handled. I also handled a number of breeds, mostly for friends. We also have owned and bred Rottweilers, and have owned a handful of other breeds, most recently a Deutsch Drahthaar, Doug's retirement dog (and the best pheasant hunting dog in the world).

I have been judging in AKC and UKC since 2002. I am currently approved for the herding group and most Working breeds. In UKC I am approved for all breeds. I also judge for ASCA and IABCA.

I have been a member of the ABdFC since 1984. I have also been a member of the Medallion Rottweiler Club, Badger Kennel Club and the Northeastern Illinois Bouvier Club, serving in various capacities as officer and committee positions.

I am honored to be invited to judge at this Top 20 event, and to see some of the best Boviars in the Country.

BREEDER JUDGE

Karen Florentine

I started in purebred dogs in 1986 with Bouvier des Flandres. In 1990 I joined together with a co-breeder and we invested in our first dog with the goal of having her make it to Westminster and started Warwick Bouviers. In 2002, we added an English Cocker Spaniel. After breeding for a number of years, I now live with both Bouviers and English Cockers.

As far as my work with ABdFC, I have had a number of positions.

Past ABdFC National Specialty Show Coordinator – Lancaster, PA

Past ABdFC Treasurer (1 term)

Past ABdFC Secretary (7 terms)

Past ABdFC President (1 term)

Past ABdFC Membership Chair (2 years)

I am also an ABdFC Breeder of Merit, an AKC Breeder of Merit, past board member of the English Cocker Spaniel Club of America, past president of the Delaware Valley English Cocker Spaniel Club and the owner of two ABdFC past Top Twenty Winners.

CH Legend's Sword & The Stone of Rocheuses

Born in a huge litter of 2, I knew he would be special from a wee little one. Being a very vocal puppy, I just knew he would be the one to stay, isn't that the way it works? The naughty ones always end up staying! An amazing temperament, square, nice bone, great head, with good reach and drive, he had to stay.

Finishing at 14 months old, and then halfway to his grand championship we had some setbacks. I broke myself, then got extremely ill, and then covid hit. In very limited showing last two years, he made it down to the final dogs at the Georgia National, ranked in top 20, and been very competitive with stellar competition. He loves to show, sometimes a little too much, but what do you do.....let him have a good time and try again tomorrow!!

GCHS Dajeen Paranormal Activity

During the pandemic Boo perfected her skills as a couch potato, snuggle bug, full-time co-worker, and monitor of the neighborhood squirrels.

While we have found this past year difficult not being able to get out and about, Boo has enjoyed having her people with her 24/7.

Though we have enjoyed our long quiet walks and nights surrounding the firepit, we are excited to be heading back in the ring at the 2021 National and to be celebrating with our dog show family once again.

GCH CH Margaux's Cut To The Chase

Chase arrived in my home as a singleton puppy – special and cherished from his birth. He became the consummate breed ambassador, whether participating in an infant's birthday celebration by wearing a birthday hat and depositing appropriate kisses upon the child or selling himself as a show dog in the breed and group ring. I am blessed to have him as part of my life and thrilled to carry his temperament and type to the next generation.

DANY TUTU

*Dany Tutu**

GCHB La Chanson's Quarter After One

Dany "Tutu" came back to the Ottcienda to finish her health tests and work on her championship. We never imagined she would show up and step into the ring as if she'd always been there. Her very first outing at Palm Springs, she went Reserve to a 5-point major and the next day Best of Winners for a 4-point major. She went Best of Winners every show entered up to the world shutting down and needed a major to finish. Once shows resumed, the weekend she finished she was awarded Best Opposite Sex twice and Best of Breed once and made the cut in the group. That's when Roberta said, "Maybe she should stay out a little longer. What do you think?"

We nicknamed her "Tutu" because she started off as Dany2 (we have Danica/Dani in the house), so it morphed into Dany "Tutu". She loves it.

We are grateful to have Team Harper taking such great care of her this year and we enjoy having her represent La Chanson Bouviers. She has multiple group wins and placements and to qualify for the Top 20 any year means a lot. The past year with limited showing means even more.

DELANEY

MBISS GCHB La Chanson's Playing to Win ATT BCAT CGC FDC

During this Covid year, Delaney trained in trick dog, rally and agility but once the dog shows resumed during the COVID year, we masked up and social distanced to continue Delaney's winning ways. She finished 2020 tied for #3 Bouvier and #2 Bouvier Bitch.

In 2021, Delaney won the Greater Washington BdFC's Specialties, supported entries earning her Bronze and capped the weekend with a Herding Group 3. Delaney continues to be #1 NOHS Bouvier for the third year, #1 Lifetime Bouvier and is currently the #1 NOHS Herding Dog and #8 NOHS all breeds. In one just week, she won three NOHS BIS and three Herding Group placements. Though she loves the dog shows, her favorite sport is Fast Cat and is ranked in the top ten for Bouviers.

Thank you to John and Diane Thomas, Pilar Kuhn and Rod Ott for sharing this lovely Bouvier. We want to extend our appreciation to all the Bouvier people and our fellow exhibitors who recognize Delaney's quality and cheer us on! We are honored to be dual Top 20 again this year and congratulate every Top Twenty qualifier for their achievements!

DIDI

Didi

GCHP CH Donlee J'Adore Dior

Didi is the consummate Bouvier both in and out of the ring. At home she is funny, smart, sassy, and sweet. In the ring she is all business displaying agility, spirit, and confidence. Her combination of proud carriage, short back, harsh coat, and effortless movement make her the classic Bouvier.

This is Didi's 3rd consecutive year as a qualifier in the Conformation Top 20. She continues to amaze us with her accomplishments.

This past year she was BOS at the AKC National Championship in Orlando, a Westminster invitee, multiple group winner, and #1 on the Top 20 list. We are especially proud of her move up from Grand Champion Gold to Platinum. Didi is only the 2nd Bouvier, and the 1st Bouvier bitch to reach the platinum level.

At deadline, Didi was ranked America's #2 Bouvier (#1 Bitch), #6 All Breed, and #1 GCH. She is expertly groomed and presented by Susie & Jorge Olivera and their wonderful team.

Didi wishes all the qualifiers in both conformation and performance the best of luck tonight. She is once again honored to be in such elite company.

Her first time in the owner handled Group, she was awarded a Group One and has since been awarded multiple group placements in Owner Handled. She finished her Grand Championship before she was 2 years old. She, along with her littermate Thor, qualified for the Top 10 Owner Handled competition for the 2021 Bouvier National. GARTH

Garth

GCH CH DeLux Take The Key To My Heart At Runamok

Visiting a local dog show, we saw a beautiful Bouver bitch being show in obedience, We had owned Bouviers since the late 80's, our first from Claire McLean, Nancy said, "Look a Bouvier." Christa Townsend's head swiveled, and she said "Oh, you know about Bouviers?" and the hook was set!

It turned out we were practically neighbors. And, GCH DeLux Iron Image's Pepper Potts at Runamok, aka "Pepper" was going to be bred soon. We told Christa that our primary wish was for a pet male with a great temperament. And, we wanted him to look like a really good Bouvier. Nancy spent a lot of time with that litter, sitting in the whelping box when Christa would need a break, Those puppies were unbelievably socialized (and potty trained) before we picked him up. Garth was Christa's pick male of the "DeLux Runamok Fab Four", and she felt he was the best pick for us. She was right. And so, we had a great pet and a SHOW dog. Garth finished his championship at 11 months of age and was Winners Dog at the 2018 National Specialty. We couldn't ask for more.

Garth has been the "Best Dog Ever" for us, and we have had a lifetime of dog ownership. He is sweet, super athletic. He loves to play "I have your shoe" – his version of "Tag around the pool table". When he is ready to go to bed, he walks to the bedroom, turns his head to say, "I am going to bed now" and sleeps in the coldest place he can find – usually the shower.

GCH CH Margaux's Aim For The Stars

Ginger started life as our willful, loving, precocious puppy. She began her conformation career at 6 months of age and never looked back. She won an Award of Merit at the 2018 National Specialty and then retired in 2019 for a litter of puppies. She began to show the following year, qualifying for the 2020 AKC National Owner Handled competition in Orlando Florida, where she won Best of Breed. She also garnered Select Bitch in the regular Breed Class.

She insists on being the center of attention, alerting to anything unusual outside the house, chasing flocks of turkeys from our yard and playing soccer with anyone who is available.

We are proud of her accomplishments and honored to be part of this Top 20 competition.

Hans and the state of Maine have something in common; they are both good for the soul.

The pandemic has proven this to be true.

Hans' daily routine is breakfast, a walk then to the front yard with his very best friend, Dan.

He, the Bouv, likes to watch the cyclists, runners and the walkers pass by. His favorites are those who regularly stop to greet him, especially if they have a treat for him.

Hans loves the show ring and the people he meets at the shows. He is a good representative of the breed.

Hans is all we could ever hope for and we are proud of his accomplishments.

Again, thank you Karen, Tracy and much-loved Gladys.

From the pretty puppy with the big gorgeous head to the mature show dog he became, Hugo has fulfilled the dreams I had for him. I am so proud of his accomplishments in the show ring. His wins affirmed the promise I saw in him as a pup.

What fun it was to show my lovely boy, but as Hugo grew larger and stronger, it became more difficult to present him to his best. I reluctantly gave him to a professions handler and the result was his first BIS and several BISS. But he deserved even more, and, with a heavy heart, I sent him across the country to Team Black & Gold. With Larry as his partner, Hugo blossomed even more. I was so excited watching what the team did in the show ring. It was magical!

I treasure Hugo's temperament. He is always sweet and patient, especially with children. Qualifying as a registered service/therapy dog was no problem at all for him. Now retired from his show career, I look forward to years of service working together and bringing comfort to others.

I want to thank my Bouv buddies, Shelley Bowman and the rest of the village for their support. I will always be grateful to Larry Fenner and Team Black & Gold for making my dreams come true and to all the judges who graciously awarded Hugo's breed excellence.

Kalimac is enjoying a much-deserved retirement after completing his championship at 19 months just prior to the pandemic. Like his Tolkien namesake, Kalimac enjoys a nice meal and seconds or thirds when he can get to his sister, Posie's bowl before it's empty! Kalimac earned his CGCA and TKN certifications at barely one year old and we are planning to pursue other exciting canine sports as the world opens back up.

Kalimac is bred by Averi Burke & Patricia Gae Wentz and Cindi Christman. Special thanks to Quiche Bouviers for their contributions to our boy's pedigree. Kalimac lives with and is adored by Cathleen and Jeffrey Treiber in the islands of the Pacific Northwest.

Link has always been special... but not for the obvious reasons these pages were designed for. What makes him special to me is not the Beginner Puppy Best in Show he won. Or the multiple Owner Handled Best in Shows, or the multiple regular Best In Shows. Or the Specialty win. It's that he is a beautiful, goofy Bouvier boy. It's the everyday things, like when it is time to water the flowers, he attempts to catch the water coming from the hose and even though his timing is way off, he is firmly convinced he is a hose ninja. He eagerly awaits the next morning because he is convinced 'today will be the day'. He helps around the farm daily sorting sheep for me before lessons begin. He barks at the sheep and me when we are not moving quick enough...just letting us both know he is on duty and knows exactly what needs to be done. When I am having a 'down' day, I can always count on Link to make me laugh. Now that's special. I'm so proud to be the breeder of this wonderful dog, but I'm even luckier to own him!

Mark continues to add accomplishments to his story. This year we have taken up carting. Much to my surprise he passed four out of four carting tests this spring, adding NDD and ANDD titles to his resume. We had a wonderful time and he has taken quite nicely to being hitched up and out and about. He is thrilled by every person who stops us on the road while we practice, admiring him or asking what we are doing. Once a ham, always a ham. His carting titles fulfilled the last requirement to earn the Versatile Bouvier Champion Award.

Mark's other primary job this year has been to serve as puppy mentor. He is doing a wonderful job of guiding Caylee through every aspect of daily life, good Bouvier behavior, and whatever mischief he is of the mood to demonstrate.

We're looking forward to continuing on our journey – who knows what he will humor me with next!

After winning Winners Dog, Best of Winners and Best Bred By Exhibitor at the 2019 Regional and 2019 National Specialty, where he finished his championship, Maverick went on to win multiple NOHS Best in Shows. Then the pandemic hit and all show plans were put on hold.

Maverick then came back out with handler Carlos Carrizo and the two have become quite the team! Winning Best in Show, multiple groups and group placements. At the time of writing Maverick is the #1 Bouvier in Breed points and the #2 in All Breed points.

Maverick has proven himself as a sire as well with multiple offspring garnering group placements from the 9 to 12 puppy class.

This year we add Maverick as our 9th Top Twenty Outstanding Breed Honor Roll, and we could not be prouder of him.

Brenda and I would like to wish all of the Top Twenty contenders the Best of Luck at tonight's gala and thanks the Top Twenty committee for all of their hard work, especially this year with the loss of a very special member of their team.

"Paisley" has been full of spirit and energy since she was born and is a delight to watch whether in the ring or racing around the farm. Paisley's sire, dam and sister Patty are previous Top 20 qualifiers, so we are delighted Paisley is honored as a Top 20 qualifier to continue the family tradition.

Ever the free spirit, Paisley always wants to have fun in the show ring, often grabbing the hem of a skirt while gaiting around the ring, or trying to take the lead from your hand. She has eaten an entire leather show lead, every kind of toy & cut puppy teeth by eating rocks, which all resulted in trips to the vet. Her greatest thrills are finding mud puddles to race through until she is hardly recognizable as a Bouvier, but she sure is happy!! In short, she's a big personality in a Bouvier suit, a delight in the show ring and at home. She's nearing her Bronze GCH, working on FastCat, hoping to start Agility, more after that!

Thank you to everyone who has given us moral support along our journey. Congratulations to all the Top Twenty honorees.

Paix de L'ame au Dela des Mers is a bold, athletic and handsome dog with a wonderful temperament. He is eternally happy, easily trainable and loves people. He has done well in the show ring winning a BISS and three group 1 wins before the age of three and is four points from his GCHS. In addition to his success in the show ring he has demonstrated skills in performance. He is eager to participate in any task requested. He pulls his cart with great enthusiasm, his smooth effortless gait is beautiful to watch. He loves herding sheep which he does with speed and agility. He hunts for rats whether in the barn or open field.

I am very thankful that Dayle Sullivan co-owns Paix. Without her knowledge and guidance Paix would not have accomplished as much as he has. I am also thankful for Samuel McGeachy for agreeing to handle him. He was perfect for Paix and they have developed a special bond that is clearly demonstrated in the show ring. I want to thank Judy and Larry Kasper for trusting me with this dog, and being there over the years providing guidance and support. Their knowledge about Bouvier's from so many years of owning and breeding is unmatched. Judy's passing this last winter left me deeply saddened with a profound sense of loss.

I want to acknowledge the other top 20 dogs and their owners. To receive this award I know it takes commitment.

GCHS CH Quiche's Power Play

Patrick came from one of the most outstanding litters of our kennel history. This litter produced five American champions, with multiple group wins and BISs, and all of this litter that were tested for hips, elbows, heart and eyes passed well and have wonderful temperaments.

We thank the breeders of their sire Doug and Michaelanne Johnson for letting us breed our Jewel to their Casper. Both of the brothers we kept from this litter were maturing so nicely, Julianna Garrison thought it would be great for Patrick to be campaigned by a capable handler in the US. We sought out a great handler and friend, Derek Beatty who piloted Patrick to many great wins. Patrick quickly rose in the rankings with limited showing and along the way sired some promising future stars.

Patrick is now home and enjoying a break.

Sage has been the perfect first bouvier and show dog for me. With the help of many mentors Sage has allowed me to learn how to groom and handle a bouvier. Her show career has been nothing but the best experience and has made me to fall in love with the sport of conformation. We had some amazing moments together in the ring. Our favorite memories is when she took OH Reserve Best in Show at the Lake Mathews Kennel Club just 8 weeks after whelping a litter. She then went on to finished her Grand Championship the very next weekend taking Best Opposite Sex at the Del Sur Kennel Club against a very competitive lineup of specials. Sage is more than just my show dog she is my best friend. We do everything together from, hiking, beach days, socializing around town, to off-roading, and camping. She truly is a heart dog and I'm so grateful to have her under my lead.

SASHA

GCH Hillhaven Show Off For Hermes Au Dela Des Mers

The great Judy Higgins Kasper began calling in early October 2019, telling us about a pup in a litter she co-bred with Dominique Hill and Larry Kasper. She and Larry had identified something special in this litter, and said it had our names on it. We weren't sure it was time. Persistent, Judy sent updates and videos - including the pup enjoying the treadmill. We went to see her. Smitten, we took her home to Bouvier Bosco. She instantly became a loyal, loving and comedic member of the household. As I knew Judy loved this pup, I asked if she wanted to co-own. She said they never did that, but YES!

At 14 months, we entered her in her first show. Sasha went WB, BW over 4 dogs, and BOS over 8 bitches including 3 Champions of record. We are so grateful Judy got to see the last show prospect she owned in the ring, living up to her promise, before Judy's untimely passing. Sasha finished her championship at the next 5 shows with four 4-point majors and two Reserves. Finishing her GCH quickly, she won Breed from Dr. Eric Liebes over several top Bouviers along the way.

What makes Silver special is her “look at me” attitude, enthusiasm for life, breed type and her balanced, efficient and easy movement. After four years in the specials ring, she’s still announcing her entrance into any grooming area and voicing her excitement when it’s time to leave the grooming table and go into the ring.

Always Breeder Owner handled, Silver is a consistent contender. Our 2021 show year started in April, but in just four months, Silver is ranked #4 nationally in group points. She’s also won her third Best in Specialty competing against top ranked males, and another Specialty Best of Opposite.

This is the fourth consecutive year that Silver has earned a spot among the Top Twenty Bouviers. It’s also her fourth year as a top eight Bouvier nationally (breed and group) for the calendar year. She’s also one of only three girls to earn a Gold Grand Championship, and currently is 9th in Grand Champion lifetime rankings.

Silver’s a fifth generation Top Twenty Bouvier and the 8th qualifier on our small breeding program’s Top Twenty Outstanding Breeder Honor Roll. Here’s hoping her puppies Buck and Selene join her on that list in the next couple years!

GCH Blue Sky's Tagalong With Me

Little did we know, when Steve Dickover and Louise Paquette met New Years Day 2020, in Michigan to breed GCHB Quiche's Phoenix Rising (Phoenix) and GCH Cam's Over The Moon at Blue Sky (Tess), that we were going to bring a little of puppies into the world during a Pandemic.

Phoenix and Tess's litter of 12 healthy puppies were born March 1, 2020. 5 days later, the world closed down!

The entire year of 2020, dog shows rarely happened. So, it was January 2021 when fun loving, Tag, under the special care and handling of Nicki King started showing. He was 10 months old.

The American Kennel Club recognized Tag with a Puppy of Achievement Certificate on February 12, 2021. He had attained 12 points as a puppy.

Nicki had one judge tell her "When he gets a brain, you're going to have a lot of fun with him".

Tag successfully completed the requirements for his Championship Certificate, March 13, 2021, with several BOB wins.

On May 2, 2021 at 14 months of age, he was honored to obtain his Grand Championship Certificate, with 4 Majors, several BOBs, and an Award of Merit.

Tag has lots of spirit and confidence, qualities he has shown since a puppy. He loves showing and yes, he and Nicki have a lot of fun in the ring!

We would like to thank Vicki Webb of Blue Sky Bouviers for including us as part of this exciting co-breeding. We are all very proud of Tag and look forward to his future success in the ring.

CH Valkyrie's Thor Of Larson BCAT

CH Valkyrie's Thor of Larson BCAT, "Thor" is also a product of my first Bouvier breeding. I am very proud that Thor earned both of his majors at just 6 months of age at his first show. He finished his Championship with limited showing due to the onset of the COVID pandemic. Along the way, he was awarded multiple Owner Handled group placements and he has been awarded a group placement in the regular group. He and his littermate, Freyja, both qualified for the Top 10 Owner Handled competition for the 2021 Bouvier National. He has also attained his BCAT title in FASTCat. He is learning to do carting and we hope to compete in this event in the near future. Thor is my gentle giant who loves everyone he meets.

TRU

Real's True As Steel By Quiche

What a year it has been since Tru entered our lives. His first show was when he was 6 months old and he was WD/BOW for a 5 point major. At the AKC National Championship in Orlando Tru was Best Puppy in Breed and made the cut in the Puppy Sweeps in a fully loaded Puppy Herding Group. Tru has consistently placed or won the owner handled Herding Group garnering 4 placements by the time he was 8 months old. He is also a Puppy of Achievement winner. With very limited showing, Tru is currently the number 5 owner handled Bouvier.

Tru is the silliest and happiest Bouvier we have ever owned. He's always up for whatever comes his way. Tru spends his days at our specialty pet food store as the Official Greeter and our customers love him.

Many thanks to his breeder Robert Real, also Elaine and Louise Paquette for sending Tru our way. We can't wait to see what the future holds for our youngster.

Willie, Willie, Willie. My buddy, you sure are a HOOT!
Willie is very sweet, and has never met anyone he doesn't like.
He has a positive, can-do attitude about everything. He showed
great promise, even at a very young age. Willie just loves life!
When we stay in hotel rooms, we get 2 beds, because he loves to
jump from bed to bed as a fun game, showing sheer delight at
these antics!

He is a boy that gets down to business no matter what ring he is
in (Conformation, Rally, or Scent Work). Willie has a true Bouvier
temperament; he moves and performs with balance, power and
purpose. He gets the job done, and is also the most lovable,
sweet dog, especially with his circle of humans.

Thank you, Willie, for being Willie!

I cannot begin to explain how proud I am of Jaheira. She always does whatever I ask, of course with the classic bouvier spin on it. This is the third year she is TOP TWENTY PERFORMANCE ELITE. She is a Rally Champion, so far the only Bouvier to achieve this title. She was awarded this one year after creation of the award. Not only does she have RACH but also now a RACH 6. She is close to RACH 7. She is the FIRST AND ONLY DOG IN ALL OF AKC TO ACHIEVE BOTH RACH 5 AND 6. She was the 2nd dog in all of AKC to be awarded RACH 3 AND 4. She is also the first bouvier to be awarded the RM title and currently has 18 and is close to 19. She has the most RAE titles of any bouvier. She currently has 20 RAE titles and is close to 21. For the last three years she has been ranked # 1 rally bouvier by Front & Finish magazine. In 2020, she was ranked # 1 rally dog in entire herding group by Front & Finish. A bouvier first. Additionally, and more impressively, in 2020 AKC top rally dogs ranked her # 1 in rally in the ENTIRE HERDING GROUP as well as ENTIRE AKC. Another bouvier first. As of December of 2020, she was ranked number 1 LIFETIME AKC TOP RALLY DOGS. In the last year she has won 4 RACHs, 8 separate new RM titles, 9 separate new RAE titles, several all-breed High combine's, and several all-breed High triple combines. (despite the COVID layoff). She has also achieved her DCAT title in AKC FASTCAT. Not only is she an excellent rally dog, she is an outstanding therapy dog of which I am very proud. She is a STAR. She is the most laid-back dog I have every owned. Nothing upsets her. She is a true "whatever" dog. One of her favorite things about "trailing" is hanging out in hotel lobbies greeting people who walk by her. I would like to thank her breeder, Ed Westfall, for allowing me to raise this wonderful dog. Jaheira is my third bouvier from him. I would also like to thank my friend and dog training mentor Sally Hatten for helping me to understand the idiosyncrasies of training a stubborn independent dog. I would not be the trainer I am today without her insights. I am often asked when I will retire her, we will retire when she no longer wants to compete. Who knows how far she will go by then? I recently got the terrible news that we lost Ed Westfall, my regret it that he did not get to see her receive this incredible award. I know he is looking down smiling.

I will forever be thankful that God sent me this wonderful baby girl. This year has been a challenge to get up each morning and do to work as a nurse educator in a hospital. Running with my Casey on the weekends was my sanity and happiness. Every week she did her best to make every run count. Her kiss after the runs puts it over the top.

Casey Bear is the number one Bouvier in Regular class agility for the 2020/2021 AKC Invitational and 2020 calendar year. Her four- legged mom Grace is positioned in the Preferred #1 spot. Nice job ladies!! Hoping to have fun with them this year at the Invitational. Despite the COVID shutdowns, Casey brought me home another MACH bar and ribbon for my birthday.

Thank you, Leslie, for inviting me to socialize Casey's litter where I fell in love with the little bossy runt of the litter. Casey rushes over to love on her Nana (Leslie) at every trial.

I want to acknowledge the passing of the best performance Bouvier ever, Jedi Jurey. He had so many titles his name looked like alphabet soup. He and Chris were a well-known team in all the performance rings. We miss you Jed.

Kaptyn is a gentle soul and has made my life so rewarding. He needed a person, I needed a dog, a bond was formed, and we never looked back. He truly steps up when asked, and only refuses if I am not involved. Our accomplishments this year were few, but we finished his carting championship, and for that I am thrilled. Kaptyn excels in herding, even if its only twice a year, and is involved in obedience, rally, and has come around to carting. I am so thankful to our team, friends, and a family who have loved and encouraged us though it all.

Throughout her 10 years Genivieve has been an inspiration to all who know her with her talent and determined work ethic . Because “Evie” enjoys keeping her mind focused, she loves having a job to do excelling at a multitude of Canine Sports where she can focus by showing her talents.

During the Pandemic this past year Genivieve has earned her Championship in Draft Dog, her CGC-A and her Novice Trick Dog Titles.

Genivieve has remained a talented joy throughout her life and continues to favor her most beloved sport of Herding-especially Sheep-her favorite above all sports.

“Evie” continues to practice her herding skills while at home by spending hours at the windows attempting to “catch the eye” of the wildlife that amble by.

Although advancing a bit in age, Genivieve shows no interest in slowing down as she seeks to accomplish other Titles in Performance Sports.

Special thanks to Mychel Ankeny, Maureen Benetti and Dayle Sullivan for all their training and support in the sport of Carting as well as the education in the value of Meatballs!

Last year I was thrilled that Darby made Top Twenty because he was eleven years old, and I thought it was a wonderful way to wrap up his performance career. But, apparently Darby wasn't quite ready to call it quits. The following year, he was out there earning his Draft Dog Championship. Darby's motto....."A happy dog is an active dog".

Darby would like to thank Maureen Benetti and Samuel McGeachy for helping to keep him young-at-heart. He would also like to thank his breeder Terry Burian-Creel for providing him with such a solid foundation. He should also thank his "sister" Kelly, (also a Top 20 qualifier) who always wants to chase him around the yard and engage in Bouvier Battles.

Congratulations to all the Top Twenty qualifiers – your hard work, dedication and commitment should be applauded.

If you have met Kelly you will understand...everybody likes Kelly. She is a sweet, loveable "party girl," up for anything, willing to try anything. Bet, she is a girl that puts her own unique spin on everything she does.

First introduction to sheep – Kelly breaks out of the car, runs to the open field where someone is out practicing with their sheep, and she chases the sheep all the way to the next farm, a half mile away. Kelly and the sheep both got their exercise that day. So did the rest of us as we ran after they trying to bring them all back. A year later, Kelly is trialing with sheep at Battle of the Beards in Arizona, and she wins the "Zeke Award", a perpetual trophy presented annually to "award the Bouvier des Flandres who shows extraordinary heart, keen working ability, and a willingness to work as a team with the handler". Judges from all three days of events participate in selecting the winner. Two sides of Kelly.

Kelly has won accolades in the show ring, she has won awards in performance, but if you need someone to keep you company when stuck at home during COVID, Kelly is your girl. She will cuddle with you, she will entertain you, and...she will keep you on your toes!

Congratulations to all the Top Twenty qualifiers – it is an honor to be included.

Congratulations to all the PT20 teams! It is truly an honor to be among you.

This is Mina. She is delightful, mischievous, curious, protective, helpful, enthusiastic, and always ready for an adventure. She works hard and plays hard too. We had quite a year, and she was right there to help us through it.

Our greatest accomplishment this year was in obedience. She became the 14th bouvier to ever earn a Utility Dog Excellent title (UDX), one of the highest titles awarded in obedience. She did it while also earning the highest combined score at that trial. [The UDX title requires qualifying scores in both the Utility B and Open B classes at the same trial on 10 separate occasions].

She earned her Excellent Jumpers title in agility.

She finished her Rally Master title and is now working toward her RACH.

She earned a few more legs toward her Championship Carting title in both the ABdFC, and North American Working Bouvier venues.

We both still love herding and continue to practice. I am having a great time working with her. She is my companion, and my partner, and I continue to grow as we continue to bond.

Mal's fifth year in Performance Top 20, and I continue to be incredibly proud of him, his working ability, and his commitment to being a part of the team no matter what I ask him to do. It's hard to believe my puppy is now eight years old, and as we work at advanced levels of our chosen activities I have new appreciation for how far we've both come and how much of that progress can be credited to having a dog so willing, forgiving, and with so much heart. I've learned so much from our time together and am lucky to have this wonderful boy on my team.

Huge thanks to Pilar and Rod for making Mal a part of my life, to Jill for being an incredible trainer and mentor, and to everyone who has offered help and support to us along the way.

Talk about a once in a lifetime dog! Link is game for anything - an "all purpose" Bouvier doing it all with enthusiasm and excellence. For a couple years now, Link has been a daily working farm dog at my Herding facility where he fetches, moves, and sorts my flock of sheep into position for my herding classes.

He's also done some pretty amazing things in the Herding Trial arena, with multiple High In Trials while qualifying in 12 straight advanced classes on multiple courses and stock. He is well on his way to his AKC and AHBA Herding Championships and may become my next Bouvier Dual Champion, like his sire - Am DC Ace's Set in Stone HXAds!

So while Link has been a dream dog in the conformation ring with his multiple Best in Shows, Owner Handled Best in Shows, and Best in Specialty win, his real accomplishments come in our daily waking hours when he makes my life easier, being my indispensable partner and farmhand, as Bouviers were bred to be.

Painter has been a busy dog since the 2019 Nationals. He has earned Herding Excellent titles on ducks and cattle, a Tracking Dog title, and a Master Draft Dog title. Herding is his most favorite activity and he is equally happy to work any livestock. He is also a very enthusiastic tracking dog. Obedience and carting have not been his favorites, but he continues to improve and become more confident in competition. He has proven to be an excellent partner in whatever I choose to do and I am looking forward to many more years of our journey together. In December of 2015, Jean Nocilly and I packed up and drove to Rockford, IL to pick up our new puppies. Jean's puppy had already been picked, but I had a choice. When I went up to the whelping box, a little girl greeted me.

Whenever I moved on to look at another puppy, this little girl just got in the way as if to say, "You are wasting your time. I am going home with you." So CH Margaux's Picture Perfect at Skrattegaard made the trip to Virginia and became known as Cinder.

She finished her breed Championship easily and started agility classes. She loved agility, but I was no longer really able to manage the running so we went on to obedience and rally. She got her Novice and Open obedience titles as well as rally titles through Rally Masters then she started herding and carting.

Herding is her favorite event and she has done very well with her talented herding instructor/handler. She now is running in advanced ducks and sheep in search of her herding championship. She is also on the way toward her carting championship.

Cinder has exceeded every expectation and we have many more mountains to climb.

When we are not competing or training, she enjoys snuggles, naps, car rides, chasing chipmunks and anything else that is on her property. Chili is also helping me train her baby brother Cruise, which is a big job.

Leisel is an affectionate, intelligent and alert girl. It is great fun to show and compete with her as she is a high quality and consistent performer who (mostly!) believes in teamwork. One of her endearing qualities is that she wags her tail while in performance sports. It is most obvious on the agility pause table but can also be seen while she is working in a Rally or Obedience trial. This is often commented upon and enjoyed by other exhibitors and spectators.

So far in the journey towards her RACH title, in all-breed competition, Leisel has earned 3 High Combined awards and 6 Highest Combined Triple Qualifier awards. In 2019 Leisel qualified for and competed at the Rally National Championship in the Master class level. She came in 8th in the competition.

The “Dream” was achieved when she gave birth to 8 beautiful puppies. To date, half of her pups have breed championships and half have performance titles.

Thanks to Michel Cote (Bovarius) and Patricia Murray (I’m Special Bouviers) for entrusting me with this “sweetie dog”. I am pleased to have Leisel’s accomplishments recognized by her being named one of the 2021 Top 20 Performance Bouviers.

SHAKESPEARE *Shakespeare*

Blue Sky's King Hamlet's Beard NW1-I NW3 NW3 Elite

Blue Sky's King Hamlet's Beard, or Shakespeare as we call him, is our first Bouvier des Flandres. That, alone, would make him special. He is everything that makes the breed wonderful.

He loves training and trialing. We'd mostly do Nosework, but he is equally willing to do agility and musical freestyle. When we approach any new building, his first thought is: "Is there odor in here?". In a trial, I find myself standing a little further back from the start line. In his enthusiasm, he is likely to start the timer before I am ready. He will search with such enthusiasm; it is a joy to watch. Yet, when training with my young niece he will wait for her to cue him to "Go Search".

But perhaps the most special thing about Shakespeare is the love he has for his family. He brings us such joy, every day. We are so proud to be able to celebrate this accomplishment with him.

A highlight is taking Zack out in public, whether it is a walk or sitting at an outdoor concert, his manners are excellent; he delights in meeting new people and dogs, and he thrives on all the attention. Love, laughter and devotion are a give with Zack

CHIEF - aka Prince Buckethead (this royal title was bestowed on him due to his love of playing with buckets)

This is Chief's second year to qualify for the ABdFC Performance TOP20. To earn the privilege of being included in the Performance Top 20 this year, Chief earned 5 more high level working titles between May 1, 2020 and April 30, 2021. Covid closed our trials and cramped our style this year in CA but those titles were worth enough points to qualify. He is 3 ½ and has earned a total of 34 working titles.

Chief is a joy to train! He earned his first title, Novice Trick Dog, at age 5 months. He finished his Championship at age 1 year and then started on his working titles career. He has participated and titled in Scent Work (both AKC and NACSW), Obedience, Rally and Carting. He has earned Blue Ribbons in all of these sports, proving a Bouvier can not only do it, but do it in style.

Chief is a natural comedian. He loves being funny. In his spare time, he enjoys posing for photos for his friends on Facebook, showing off the flowers in our garden, playing in his ball pit, or carrying around one of his many buckets.

Chief is the 6th generation from my DeLux foundation girl, CH Chenille de Lux CD HT TT SchH1. It truly took a "village" and several miracles to get him and his brother to the whelping box. I am proud to be not only his breeder but also his owner, trainer and handler. He is so much fun to work! I am very proud of him and all he has accomplished at such a young age. We look forward to a bright and Excellent future (already earning Scent Work Excellent and Rally Excellent towards next year's Performance totals)! I love this dog!

Scarlett, Margaux's What a Pistol, has been involved in herding and agility this year. She has gotten several more agility titles and we have been adding to our Double Q total for her MACH. Jumpers with Weaves is her favorite course since she doesn't have to stop during it. She was invited to the AKC Agility Invitational as the #2 Bouvier this year. Herding is her "passion" and she has worked both boundary and fetching courses depending on where we are in the year (Arizona/Washington). She is definitely not a hot weather girl but she will persevere through the hot Arizona sun to herd sheep. Scarlett keeps us on our toes and entertains us every day with her antics. She is always ready for an adventure and it's great to be able to live with your personal trainer who expects a pushes me to keep up with her during our daily workout. She is a treasured part of our "S.O.N.G." (Scarlett, Olive, Nancy, Garrett) family.

I thank the ABdFC for this recognition and am grateful to Febe's breeders for blessing me with her. I also appreciate our teachers (Nancy, Kristina, Rebecca, and many others), who help and encourage us. Don't be intimidated by these amazing teams. While I have had Bouviers for years, only with Febe have I found time for performance activities, and we have fun whatever the outcome. Febe teaches me to be in the moment and enjoy the process, (plus the treats).

Febe's sound structure and versatility are her greatest strengths. She is a doggie heptathlete – not a gold medalist in any sport but across the events, she does well. We can herd in the morning, and after a cleanup, visit people in memory care in the afternoon. Febe reminds me that she's a Bouvier. When she is good, she is very, very good, and when she's not, she's my Bouvier. She continues to be my steadfast friend. We wish all ABdFC members and their own top dogs health and joy now and in the future.
