A Letter To Our Friends

A Warm Welcome!

We are so glad you have traveled to Purina Farms for our 2022 National Specialty, and more specifically, joined us for this evening's event. The support and participation of our club members, friends and guests makes the annual Top 20 Gala evening even more special for the individuals and teams being honored this evening.

Speaking of teams, we are so excited to see that the performance recognition portion of the evening has grown with each year. So many of our Bouviers excel in a variety of competitive venues as evidenced by the number of ELITE Performance teams we celebrate this evening – 11 in all! To be ELITE – the team must have earned a Championship in one or more performance areas. This group is followed by the actual Top 20 Performance Bouviers, all of them successfully working toward their own ELITE status. If you have participated in agility, obedience, scent work, rally, herding or carting, you know that attaining this success takes a tremendous amount of dedication to the goal and persistence. Suffice it to say that occasionally our beloved Bouviers are less than obedient – they prefer to approach tasks with their own sense of style, sometimes toward the detriment of that day's competition. None the less humans persist, the dogs willingly participate, and we love them because of, or despite their antics. Please give all the performance teams a big round of applause as we congratulate their success this evening!

Traditional Top 20 Conformation and NOHS Top 10 are certainly no easy task and requires just as much teamwork. Up at dawn, loading, driving- sometimes hours on end, hotel or RV living, hauling equipment and dogs, setting up, grooming and somehow getting to the ring on time AND looking fine are not at all as easy as it looks. It doesn't matter if you're in charge of getting the entries done, transporting the dogs, washing, trimming or that last minute fluffing – there is A LOT to do before you step into the ring and shine. Sometimes it is hugely rewarding and sometimes frustrating but the Bouviers who will compete this evening have risen to the top of the point standings under the careful eye of their professional handlers or their owners. Tonight, they endeavor to put their best feet and paws forward together and garner the highest marks from our three-judge panel, going home with the rosette that has a little extra bling added!

The committee wishes to extend our thanks to all the volunteers who have assisted this evening, our panel of judges who have generously given their time, and the vendors who support our program. Most importantly we thank the folks who have entered their wonderful Bouviers, without you there would be no celebration.

Regardless your reason for being with us this evening, have a beverage, peruse our Top 20 Hall of Fame gallery, enjoy the catalog and the opportunity to witness someone's dream coming true!

TOP TWENTY 2022 *Judges*

HANDLER JUDGE *Kim Raleigh*

I was lucky enough to learn about the sport of pure-bred dogs at an early age. My grandmother and great grandmother bred and showed German Shepherds, and my mom bred Shelties. I began showing at age 8. Through the teenage years dogs took a back seat to other activities.

Then, with nothing to currently show, mom and I started driving up to eight hours to watch dog shows. My showing dogs for others started then. I have been trusted to show many breeds, but the herding dogs have always had my heart. I have shown Bouviers for close to thirty years. I appreciate so much about the breed, but it is the strength of personality that makes them something extra special to me.

Thank you for allowing me the honor of judging the 2022 Top 20.

AKC JUDGE *Karen Hyneck*

I became involved with German Shepherds in 1970, put my first obedience title on a GSD in 1973 and have had an ongoing relationship with the breed. I developed an interest in conformation and became addicted.

I started judging in 2004. At that time, I had only planned on judging German Shepherds. However, I found that I enjoyed judging and decided to pursue other breeds.

As I have pursued other breeds, I have truly come to enjoy the temperaments and individuality of each breed. I had to be careful not to bring them all home with me.

I feel very strongly that to know a breed's history is to know their purpose, function and structure and that the history itself proves the adage that "form follows function".

I am currently approved for the Working, Sporting and Herding Groups.

BREEDER JUDGE *Penelope Ogden*

During the summer of 1990, our security alarm went off for the third time in the middle of the night. The police suggested we get a gun or a dog because it was clear that someone wanted to get in. I began researching breeds and made a short list. A colleague of mine offered to introduce me to her dog, a Bouvier. The rest is history.

Since 1990, I have never been without a Bouvier, or 2 or more. I spent the next ten years studying the breed by going to dog shows, reading any and everything I could find, training in obedience, rally and therapy work and talking to a multitude of fanciers. Under the tutelage of patient and knowledgeable mentors, I began breeding in 2000. I have never looked back. Each and every litter teaches me something. To date, I have bred dozens of litters under the Limerick kennel prefix and been blessed with many multiple award winning Bouviers. As no perfect dog exists, my quest to breed a better Bouvier remains my dedication and passion.

It is an honor and a thrill to have been invited to participate in this year's prestigious Top 20 event. I thank the committee for the opportunity.

ARTIE

Artie

BISS GCH CH Legend's Sword & The Stone of Rocheuses

Artie finished fairly fast once he got the hang of trotting and not galloping. He was 14 months old when he achieved his championship. He was only shown occasionally to keep his brain screwed on. Then at 18 months, he was put up for a bit to grow up as he matured slowly. Life, as it sometimes can, got in the way of him coming out at 2. After things calmed down, and opened back up after covid, he finally came back out at 3 years old. He had a rocky start but would settle down enough to win several breeds and some group placements. Last year was his best year. Winning multiple group placements and back to back specialties to name a few. He is now a couch potato, with occasional stud dog duties.

BRIENNE

Brienne*

GCH I'm Special Ser Brienne of Chusan

We are thankful that Brienne is part of our lives, since her breeder, Pat Murray had an OMG moment when she picked her up for the very first time. But unfortunately, this I'm Special puppy missed out on all the fun puppy stuff as Covid lock downs hit after her very first show.

Brienne was named after Ser Brienne in Game of Thrones which we watched with dog showing on hold. She got super attached to Chuck sleeping on his feet while he worked from home and became obsessed with playing ball and long walks. When Covid ended and we ventured back to the dog shows, the connection with Chuck, her super attitude and I'm Special legacy made them an instant success. She went from first point to a Grand Champion in less than six months. Since then, she has spoiled us with her success.

We are thrilled to be part of The I'm Special legacy and participating in our first conformation Top Twenty.

DANITUTU

Dani Tutu

MBIS BISS GCHS La Chanson's Quarter After One

As the world continued to get back to normal in 2021, our girl continued to put a bright spot in our lives watching her succeed while out with handlers, David and Jennifer Harper. They steered her to multiple group wins and placements, she qualified for the Top 20, won back-to-back Best in Shows, won Best of Breed at the AKC National Championship, and ended 2021 as the #1 Bouvier Bitch and #2 Bouvier (All-Breed).

She returned to California in 2022 to continue showing on a more limited schedule as owner-handled, but continues in her winning ways. She finished her Silver Grand Championship at the Palm Springs Kennel Club, was Best in Specialty Show at the Northeastern Illinois Bouvier des Flandres Club, Best Opposite Sex at the Westminster Kennel Club (shown by David Harper), and Best Opposite Sex at the 50th Anniversary of the Southern California Bouvier des Flandres Club and also picked up an Owner-Handled Best In Show at the Burbank Kennel Club that same weekend.

We nicknamed her "Tutu" because she started off as Dany2 (we still have Danica/Dani in the house), so it morphed into Dany "Tutu". And hopefully we will have little Tutus dancing around the house by the end of 2022 if blessings befall us. Team Tutu is a very proud team, indeed.

Delaney is a great ambassador for the breed, making friends both canine and human everywhere she goes. Her thrill outside the ring is an invitation to play and then it's all leaping and twirling. When it's time to enter the ring, she's all business. With her signature flourish leaping transition from the down and back to "take her around" the ring, she has built a record that includes:

- Multiple Group Placements
- Multiple Specialty Winner
- #5 Bouvier ALL Breed (CC stats) 2021
- Top 100 Herding Dogs (CC stats) 2021

DIDI

Didi

GCHP Donlee J'Adore Dior

Didi is the consummate Bouvier both in and out of the ring. At home she is funny, smart, sassy and sweet. In the ring she is all business displaying agility, spirit and confidence. Her combination of proud carriage, short back, harsh coat and effortless movement make her the classic Bouvier.

This is Didi's 4th consecutive year as a qualifier in the Conformation Top 20. She continues to amaze us with her accomplishments. This past year with limited showing, she was BOS at both of the Southern California Bouvier Club Specialties, a Westminster invitee, and multiple group winner. We are especially proud of her Grand Champion Platinum status. Didi is only the 2nd Bouvier, and the 1st female Bouvier to reach the platinum level.

She is expertly groomed and presented by Susie & Jorge Olivera and their wonderful team.

Didi wishes all the qualifiers in both conformation and performance the best of luck tonight. She is once again honored to be in such elite company.

BISS GCH Margaux's Running The Crimm

I am thrilled and honored that my Bouvier "Flint" qualified for this year's Top 20. Thanks to his breeder Sandi Lyon for trusting me with such a delightful boy and to his handlers Theresa Lee and Nicole King for their expertise in showing him in the conformation ring. Alas, his training in the performance venues has taken a back seat to conformation the last couple years. I am looking forward to showing him in Scentwork in 2023 and hopefully on the tracking fields soon thereafter.

The judges at the Bouvier Club of Southeastern MI recent specialties have recognized and rewarded Flint's breed type and beautiful movement with several nice wins. First time out in the 6-9 puppy class in 2019 he went BW and Best Puppy in Specialty for his first points. Then COVID struck and we all took that long break. The next MI specialty he went BOB/BW from the Open Dog class for a 5 point major. He finished his Championship the next day with another 5 point major. The next two MI specialties brought a Select Dog for 5 GCH points and then in the Sping an AOM. He is closing in on GCHB hopefully by the end of 2022.

As a herding trainer, my actual job depends upon my having a farm dog. My Bouvier, Stone, was my stock dog but he was getting up in years and so I realized that I had better figure out how I was going to replace him. Truthfully, I wasn't sure I'd ever be able to get one as good as he was, but I thought that by breeding him to a lovely bitch I co-owned that I might get close...so I did. Holy Cow! Stone gave me one of the greatest gifts...a dog linked to him that was as beautiful and talented as he was! His son, Link, affectionately known as "meathead, "dopey", etc. (if you've met him, you understand) is one of the smartest, funniest dogs I have ever owned! And as much as his wins in the breed ring mean to me (over 60 Group wins and 11 Best In Shows), it's his farm dog skills, the things this breed was bred for, that blow me away on a daily basis! Sadly, I just lost Stone a short time ago, at almost 14 years old. He is so missed. But he lives on in Link! A great working dog, family dog, and show dog, Link is truly a one in a million dog. Thanks Stone - good job! Here's to you buddy!

Link is always beautifully presented by Larry Fenner.

Aka Oona B- I first saw Oona in a litter of puppies that Cory Hart had bred, there were 2 girls that really caught my eye. I asked Cory if I could take her home, and here we are! She has some familiar nostalgia behind her for me, with A.J. (Leevy son) Gemmie (Sid daughter) and Boaz in her pedigree, and I see bits and pieces of them in her. She finished her championship very quickly in 6 shows, going BOS over specials out of the puppy classes. When I brought her back out as a special (post covid) did not realize she had never shown indoors, and to this day is still not fond of it. She has a wonderful temperament, willing to try anything I can ask her, has a BIG passion for fastCAT, handily gained her farm dog title at the Utah National, and looking forward to trying our hand at barnhunt sometime soon. She also has a wicked sense of humor, her favorite being the jump up and focus- alert on whatever is crawling on the wall behind my head...of course I fall for it everytime and laugh, one day it will be real!

Maverick has had a very impressive show career. Winners Dog, Best of Winners, Best BBE and BOB NOHS at the 2018 ABdFC National, multiple year Top 20 Qualifier, multiple NOHS Best in Show wins and a Best In Show winner to name a few of his accomplishments.

Maverick retired at the 2021 ABdFC National where he won the NOHS Top 20 and was awarded Best of Opposite Sex and Best Stud Dog. He finished 2021 as the #1 Bouvier (breed).

Retirement didn't last long, his biggest accomplishment was still to come! Maverick went off to be mobility and task trained service dog for our friend Frank after he broke his femur and hip. Frank is also legally blind due to childhood diabetes. Maverick has stepped up to the plate and is also training as Frank's guide dog for sight impairment. This second career has been an amazing success due to Maverick's steady temperament and ability to learn required tasks quickly.

Maverick will be cheering on his daughter Cyndi from the sidelines as she competes in tonight's Top 20 event!

When I set the goal to finish my first Conformation Champion as an owner-handler, I never imagined that we would end the year ranked among the top owner-handled Bouviers. In typical Nash fashion, she exceeded my expectations by not only finishing her Championship quickly, but picking up numerous OH Group placements along the way—including multiple OH Group Firsts and Reserve Best in Shows! She is evidence that form and function go hand in hand and has proven to be a talented herding dog, currently working toward her AKC Herding Championship, as well as a fantastic all-around working dog who has also qualified in Performance Top 20 this year. In the field and in the show ring, she is always owner-handled.

Huge thanks to Jill for creating such a wonderful girl for me, and for adding equal parts beauty and talent in the mix. I'm so proud of all she's achieved already, and so excited to all that's still to come!

PAIX

Paix

**GCHS CH BISS Paix de L'ame au Dela des Mers PT JHDs RATO CGC
FDC MDD**

I feel so lucky to be the owner of Paix de L'ame au Dela des Mers. He is a fun dog with a great temperament. He has done well in the show ring and is now a GCHS. In addition to his success in conformation, he has demonstrated skills in performance. He is eager to participate in any task requested. He pulls his cart with great enthusiasm; he loves herding, which he does with speed and agility. He hunts for rats, whether in the barn or open field. He is now working in Obedience.

I am very thankful that Dayle Sullivan co-owns Paix. Without her knowledge and guidance, Paix would not have accomplished as much as he has. I am also grateful to Samuel McGeachy for agreeing to handle him. He was perfect for Paix, and he loves Sam. I am forever thankful that Judy and Larry Kasper trusted me with this dog. I am happy to have had their guidance and support. Their knowledge about Bouvier's is un-matchable. Judy's passing has left me deeply saddened with a profound sense of loss.

I want to acknowledge the other Top 20 dogs and their owners. To receive this award, I know takes hard work and commitment.

RUGER

Ruger

**BISS GCHB CH Raylind Ruger de la Salsa at Hillhaven BN RN FDC
CGCA CGCU ATT**

Ruger – the happiest Bouvier! Our gotcha day was chaotic, but our sweet yet demanding boy has become everything we could want. A benevolent king of the house and sire, always ready for action, never far from his people, full of character, loves to show and work. Titles on both ends of his name makes him a perfectly balanced dog – in brain, form, and function. Ruger attained his AKC Championship at age 15 months, then we put him up to let him mature. His first show cluster back at 3 years old, he won the breed 3 of 4 days and we have not looked back. For the 2021 National, I set him a high bar – conformation, Rally, Obedience, 3 levels of CGC, and Farm Dog Certification – he qualified in all events, received an AOM at the National, and won the Parent Club Specialty the following day. What a week! He has shown prowess in herding and lure coursing as well. His wonderful nature makes him an excellent companion and a road warrior!

I LOVE working with this dog and look forward to the future with him!

With overwhelming heartache, Ruger tragically crossed over the Rainbow Bridge on July 9, 2022.

RYDER

Ryder

GCH CH Bon Idee's Secret Agent Man

Ryder came into the world a precocious puppy, full of personality and wanted to do anything and everything our other Bouvs were doing. By the time he turned six months old, there were only a few weeks before the 2019 Specialty in Conyers. We put him in a show to get him some ring experience and low and behold, Ryder walks out from his first show weekend with two majors to his name! He would later win sweeps at the regional specialty in Conyers and finish his AKC Championship at ten months.

As COVID shut down shows two months after finishing, it was a perfect opportunity to let Ryder grow up and mature. He came out in 2021 and earned numerous Best of Breeds and several group placements, which qualified him for the Top 20 this year.

Congratulations to all the Top 20 qualifiers for all your hard work this year!

GCHB Hillhaven Show Off For Hermes Au Dela Des Mers

Our great love, “Sasha”, was co-bred by Dominique Hill, Judy Kasper & Larry Kasper. She is a loyal, loving, and comedic member of the household and great companion to “Bosco”, our male Bouvier.

At 14 months, we entered her in her first show. Sasha went WB, BW over 4 dogs, and BOS over 8 bitches including 3 Champions of record. We are so grateful Judy got to see the last show prospect she owned in the ring, living up to her promise, before Judy’s untimely passing. Sasha finished her championship at the next 5 shows with four 4-point majors and two Reserves. Finishing her GCH quickly, she won Breed from Dr. Eric Liebes over several top Bouviers along the way. After the 2021 National Specialty, Sasha continued to compete, winning several Best Of Breeds and winning an Owner-Handler Best In Show at the Gavilan KC, Reserve Best In Show and Best In Show at an IABCA weekend. She was awarded her Bronze Grand Champion in early 2022.

SERNADE *Serenade**

CH Star's Serenade De La Salsa

Serenade is a fun and very naughty girl. After showing in the 4 to 6 month class at the 2019 National, she did not see another show ring for two years due to Covid. As the Arizona shows reopened, I paid attention to the NOHS series because most shows would have no CH points and Serenade needed show experience. Serenade was rewarded with several NOHS Group 1s and group placements. She also picked up a major going best of breed over specials. She handily finished her CH, has a few bests of breed under her belt, and is one single point away from her anticipated GCH. Serenade is always breeder owner handled (mostly because she is naughty and will not show for anyone else).

Calm DuShar On A Silver Platter Dajeen FDC**

The true honor of the Top Twenty competition is in qualification for the event. It takes a quality Bouvier to consistently win Best of Breed - defeating enough Bouviers to be a true contender. My girl Silver, competing with multiple champions at the majority of shows, earned the great honor of FIVE straight years of Top 20 invitations. That's an exceptional accomplishment for an exclusively breeder-owner handled girl.

Silver also qualified each of the five years for NOHS Top Twenty competition where most qualifiers earn most of their points in OH Herding Group competition.

Silver is the only Bouvier to be a FIVE-YEAR DUAL QUALIFIER for this wonderful event!

This confident, bouncy and full volume Bouvier is my dream girl. Silver made wishes a reality for our devoted "team" of two. We've had nothing but fun - doing it our way.

Silver's a fifth generation Top Twenty Bouvier and 8th qualifier on our small breeding program's Top Twenty Outstanding Breeder Honor Roll. Silver's puppies by Multi BIS & SBIS GCHS Ace's Chain Reaction are ready to follow. Here's hoping Calm Think I Struck Gold (Buck) and Calm To The Silver Moon And Back (Selene) join her on that list.

SYMONE

Symone

BISS GCHB Quiche's Sweet Secrets Untold

"Don't stop me" Symone says. The sweet gentle soul has had the time of his life catching up from when shows were closed. When the shows opened up, he became a Champion in less than a year, then in ten months' time, he became a Grand Champion Bronze titleholder. He has several group placements, two back-to-back Awards of Excellence and a Best In Specialty. He's all business when he's in the ring and has many special unique qualities for which he will prove by participating in an upcoming Therapy Dog class. He goes on walks with the physically impaired, aka mom, and has a great deal of patience with the elderly, aka Friends. He gives the best kisses not only to them but every morning waking up the household. Besides squirrel hunting and bird watching in our yard, his playfulness is joined by another male and female Bouvier.

The French name Symone means "to be heard" ...he definitely uses his voice in various tones to get what he wants from taking a walk to it's time to eat.

You know the old saying, it takes a village! The village is all the special people who have helped Symone achieve his goal in participating in the Top 20. A special thank you to his handlers, Norma Braun and Lora Richards. Also thinking the American Bouvier des Flandres Club for putting on this great once a year national event.

Tommy was such a star in his litter that Terry Burian snagged him when visiting and took him home to California. With a wonderful start as a puppy in the California show ring, he came home to grow up. Tommy finished his championship in several weekends and his first outing as a special was the AKC show in Orlando where he won Best of Breed.

Tommy has never lost his silly, fun personality and has been beautifully conditioned and presented in 2022 by Alfonso Escobedo and Ashlie Whitmore. We are honored to present him this evening.

Tucker has been a great companion on the road to learning how to show a dog. He is one of the most mellow dogs when at home, following me around as I do chores at the house or barn. We've been learning agility and are still at novice; he just does not see the point of doing the same thing over and over. At his instinct herding test, I discovered what Tucker is passionate about- herding sheep! Maybe someday buddy!

I am so honored to have Link among the 'Elite' in the Performance Top Twenty! Congratulations to all the dogs here and to every one of you who has ever set foot in a competition ring or arena with your Bouvier! These dogs are hands down the best – but not always the easiest!

Link is my full time stockdog here on the farm. I run a herding training facility and he gathers sheep and geese daily and helps sort them into groups for the day's training lessons. He is a true working dog. It's amazing watching him do what he was bred to do. I love that he gets down and dirty all week long, then gets cleaned up for his weekend modeling gigs - which he does pretty well at as well! He is such a goofball and everything we do we have so much fun! Link finished his AKC Herding Championship quickly and is now the top winning Dual Champion Best In Show herding dog in AKC history. As his breeder and owner, I am so incredibly proud!

One a cold day in December, Jean Nocilly and I arrived in Rockford to pick up our new puppies. Jean was getting the silver boy and I had to pick one of six. One little girl kept getting between me and the other puppies. I tried to look at the others to no avail. She was coming home.

It has been quite a ride: agility, obedience, and rally until she discovered herding. Lucky for us, there is a fabulous trainer (Julie Degen) who lives only 1.5 hours from me. Her guidance has resulted in a Herding Championship; something I only dreamed of. There are still more adventures on the horizon.

**MACH4 Adara's No Nonsense Casey's A Comin MXG2 MJC2 PADP
MFS TQX T2B3 CGCA**

Casey's sweet and comical personality makes her so easy to love. This has been a year for our home, but despite all of our challenges we encountered Casey managed to achieve huge goals in our agility career.

In the fall she was awarded her MACH 4. Only one other Bouvier has achieved this title. I tell Casey all the time she is the best agility Bouvier ever, and this year she made it a reality. Early this year Casey made it to the #1 spot of the AKC rankings for Regular Class Agility for a Bouvier. Casey also achieved many other agility titles this year, but the one that is a first for the Bouviers is a Premier agility title. This title is very hard to achieve due to course difficulty and time constraints. Not bad for the runt of the litter.

I want to acknowledge the passing of two agility record setting Bouviers. First is Grace her four-legged mom. Grace is the highest AKC ranked agility PACH Bouvier and had many other performance titles. Second was Casey's 14 year-old big brother and gracious teacher, Brutus. He was the first MACH PACH and PACH 2 Bouvier. He was the number one AKC agility Bouvier for 4 years. Both were loved and are greatly missed.

Thank you Leslie for placing Casey in my life. Thank you to the committee for this honor. Most importantly, thank you to God for making this special little girl just for me.

I'm not sure what else I can say about Jaheira. She is truly a very special dog in many ways. She has achieved many firsts in her career: first bouvier to achieve RM and RACH titles, first dog in AKC to win RACH 4, RACH 5 RACH 6 RACH 7 RACH 8 RACH 9. This is the 4th year in row Jaheira has qualified as a TOP TWENTY PERFORMANCE ELITE at the Bouvier National Specialty. I can't even begin to say how proud I am of this girl. She always does whatever I ask of her. She has succeeded in obedience, FASTCAT, therapy work, and rally. In fact, she remains ranked number 1 lifetime rally dog in the entire AKC. She has more rally titles than any other dog in the AKC. She will have her tenth RACH (rally championship) at the time of this event. This will be the first in the AKC. She has more RACH and Rally Masters titles than any other dog in the entire history of AKC rally. Even at age 11 she still loves being in the rally ring. Everyone always comments on how she "smiles" in the ring. She has also recently received her FCAT title in FASTCAT (another sport Jaheira loves). She may be slow, but she gets the job done. We will never "win on time" but points over placement. Bouviers always do things their own way at their own speed. She still loves being a therapy dog. I am not sure how much longer she will be competing, but I know she will tell me when it is time to hang up her competition collar. She is very good at telling me her opinion. She is after all a bouvier. There will never be another dog like her. I again regret that Ed Westfall could not be here to witness his dog being honored with a Top Twenty award.

Decker is an enthusiastic working dog who brings intensity, attention and joy to competition. Occasionally his enthusiasm translates into a "wild child" moment in agility competition! He is also a loving dog who will often lean into people when he greets them earning him "Eileen" as a middle name!

Decker is a versatile working dog who has earned multiple titles including Conformation, Obedience, Rally and Agility titles. While working towards his RACH title in all-breed trials Decker earned 3 High Combined awards and 3 Highest Combined Triple Qualifier awards. At the 2022 Rally National Championship Decker earned 382/400 (95%) possible points and was ranked 63rd of 149 dogs by score and time in the Championship level competition. He is currently close to competing at the Excellent level in Agility and will soon be showing towards his CDX title in Obedience.

Decker came into this world on my birthday in 2017. Thanks to Patricia Murray (I'm Special Bouviers) for helping me to plan and whelp his litter. I chose him from a litter of 8 puppies and am glad daily for that decision.

Thank-you to the ABdFC for recognizing Decker as a 2022 Top 20 Performance Bouvier.

Leisel is an affectionate, intelligent and alert girl. It is great fun to show her as she is a high quality and consistent performer who (mostly!) believes in teamwork. One of her endearing qualities is that she wags her tail while in performance sports. It is most obvious on the agility pause table but can also be seen during Rally and Obedience trials. This is often commented upon and enjoyed by other exhibitors and spectators.

Leisel is a versatile competitor who has earned Conformation, Obedience, Rally and Agility titles. On the journey to her RACH title, in all-breed competition, Leisel earned 3 High Combined awards and 11 Highest Combined Triple Qualifier awards. At the 2022 Rally National Championship Leisel placed 15th out of 149 dogs in the Championship competition earning 397/400 points (99% of points).

The "Dream" was achieved in 2017 when she gave birth to 8 beautiful puppies. To date, half of her pups have breed championships and half have performance titles.

Special thanks to Michel Cote (Bovarius) and Patricia Murray (I'm Special Bouviers) for entrusting me with Leisel.

I am very pleased to have Leisel recognized by ABdFC as a 2022 Top 20 Performance Bouvier.

I am honored that Mina and I are Elite members of the Performance Top Twenty this year. Congratulations to all the honorees.

Mina has been a joy to work and live with and has taught me a lot as a trainer. She is always up for a walk, or a training session, and is a joy to compete with.

This past year she finished her ABDFC Carting Championship title, earning her Elite status. She also earned her NAWBA Carting Championship title. She enjoys the work, and often helps carry her equipment to the obedience or agility trials and helps clean up the back yard.

We also competed in Agility, Obedience, Rally and Barn Hunt, and were very excited to be able to attend the 2021 National Specialty where we got to meet many of our friends in person and enjoy so many Bouvier teams.

She continues to love working with me, and bugs me incessantly when we haven't gone out to do anything for a while. Herding is still a work in progress, and a journey we both love. Our next goal is to earn her Obedience Master title.

This journey with Zoey has been an exciting one. We started this competition year with a Draft Dog Championship, picked up a Master Jumpers Preferred title and ended with a Rally Advanced title. I could not ask for a better partner in this game called Performance. Our motto is "Every dog has its day" and we have been blessed with several good ones.

Zoey also stays busy with pet therapy visits that take her from hospital children's wards to college campuses during finals. She continues to participate in dog sport demonstrations at local canine public education events.

I would like to thank the ABdFC for hosting this beautiful Performance recognition event. It is a real joy to see our honored Performance and Conformation dogs together in one evening. I would also like to thank Reidsan Kennels for sending me this beautiful teammate and thank the "Obedience Outlaws" at the South Plains Obedience Training Club whose training expertise helped me so much over the years.

When we were discussing puppies with Judy and Larry Kasper after Harlow's litter was born, we were thinking of a puppy to take in the conformation ring. Little did we know that six years later, we would have a qualifier in both conformation (2019) and now 2022 in performance. We have come to find that Harlow loves the performance venue, whether it be learning a new sign for rally or alerting with exuberance when she finds a rat in barn hunt. She has taken to carting, earning her carting championship this year and several high or reserve high in trials. Our sincerest thanks to those who have encouraged us to take the plunge into performance events and we congratulate all the Top 20 qualifiers this year for all your hard work!

I am extremely proud of Painter's achievement as the #1 Performance Bouvier this year. He earned his Utility Dog title in August of 2021 and has accumulated 5 of the 10 legs necessary for his UDX title. In addition, he has been awarded the Master Draft Dog Excellent title and has accumulated a total of 8 qualifying legs in drafting. 10 legs are required for a draft championship. He started his AKC Scent Work career last Fall and has earned the Scent Work Novice title, as well as Advanced titles in containers and exteriors. Herding is still his favorite and we continue to compete in herding trials and accumulating points towards his herding championship. He currently needs 5 points to achieve that title.

He began his obedience and rally career in 2021 and has now earned his Companion Dog Excellent, Graduate Open and Rally Master titles. He has accumulated points towards his Rally Championship and legs towards his Rally Advanced Excellent title as well. In July we competed at the Rally Nationals in Ohio, and he placed 15th out of 83 entrants in his class. In AKC Scent Work, he has his overall Advanced title and has Excellent Container and Interior titles. He has also been very successful in herding, winning a coveted high in trial belt buckle last year and has accumulated 4 points towards his herding championship. We are fortunate to be able to trial on ducks, sheep and cattle and are looking forward to a busy Fall competing on all 3 types of stock.

Mal's sixth year in Performance Top 20, and it's hard to believe how quickly time has passed and how much we've grown as a team. Around this time in 2017, I wrote that as a first-time Bouvier owner who had never entered a ring or trained and handled a dog, I could not have asked for a better teammate than Mal to begin this journey with. That statement holds true years later, and with time and experience I have even more appreciation for just how special it has been to have this dog as my first—a dog so willing to teach and so patient with my learning, so forgiving of my mistakes, and just so full of heart.

As always, thank you to Pilar and Rod for bringing Mal into my life. Thank you to Jill for being the best trainer, mentor, and friend a girl and her dog could ask for. And thank you to Deborah for taking an interest in a couple of novices and getting us started on this journey.

Nash takes all of her jobs seriously—even being seriously sweet or seriously goofy. From her first introduction to sheep as a puppy, I knew I would have my work cut out for me as her intensity, drive, and speed are so different than what I was used to! I love the enthusiasm that she puts into everything that she does, and that even when hard at work she'll still acknowledge me with a bounce and a wagging tail.

Nash has been such a joy to work with, and I am so proud of all she's accomplished in both the show ring and in multiple performance venues. She is truly special, and I can't wait to see what the future holds for us! Her excellence in conformation and performance are a testament to the thoughtful and purposeful breeding that created her, and I am so grateful to Jill for trusting me to do right by her, and for producing beautiful dogs with such strong working ability.

We appreciate the ABdFC's recognition and are proud to be with such an outstanding group of performance Bouviers.

Febe continues to do many things – scent work, herding (sheep and grandkids), carting, therapy dog, and couch warming. Good structure, Bouvier versatility, calm demeanor and enjoying treats are strong suites. Repetition, not so much. She loves to move, and this year, she was the first female Bouvier to reach 1000 Fast CAT points and earned an invite to the 2nd Annual AKC National Fast CAT Invitational. Thanks to our trainers – Nancy, Rebecca, Terri, Lisa, and others, plus all those who encourage and support us. We play, and I continue to enjoy and learn from the process.

Special thanks to her breeders for this amazing girl – she's a joy and so is seeing her grandpups competing in conformation and performance. This is her third year in the Top 20, and we both are getting older. I notice her slowing a bit, and I would trade all the titles for extra days with her sleeping on the couch or walking ahead and looking back to ask, "Are you coming?"

Congratulations to all the Top 20 teams, and we wish all ABdFC members and their own top dogs a safe, healthy and happy year ahead.

Blue Sky's Hamlet's Beard ELT-1 ELT-2 ELT-3

Blue Sky's King Hamlet's Beard, or Shakespeare as we call him, is a dog worth celebrating. He is everything that makes the breed wonderful. He is loyal, loving, and protective.

Training with Shakespeare is a joy. Whether it is scent work, freestyle or agility, he is attentive and eager. We do primarily scent work now. He makes me look good as a trainer, when in fact, it is that he is such a wonderful partner. Never did I imagine I would have the honor of handling a Top Performance Dog. Yet, he remains humble and happy to search.

But perhaps the most special thing about Shakespeare is the love he has for his family. He is the first one to sit vigil when someone does not feel well, be it a human or canine family member. He is the kindest dog that I have had the pleasure to share my life with. I could not be prouder to be able to celebrate this accomplishment with him.

Arya is my second bouvier to be honored as a top twenty performance bouvier at the Bouvier National Specialty. Like her namesake, Arya Stark, she is loyal, and small but mighty. She is very sure of herself and likes to do things her own way. She is the fourth bouvier I have received by Edward Westfall. I will never forget the day she picked me when I met her litter at 4 weeks of age. At that first meeting I knew she was destined for greatness. She has excelled in many venues including AKC rally in which she has recently achieved her RACH and is well on her way to her RACH 2 (she may even surpass her big sister Jaheira in the number of AKC RACH titles). On her way to her RACH, she has won many High triple combined and high combined awards in rally. She has also succeeded in obedience, FASTCAT, therapy work, trick dog, farm dog, and all 3 CGC titles. For a while I did not think we would succeed in the performance ring as initially to her "heel free" meant play keep away and recall meant "it's time to visit the stewards". She eventually "got it" and achieved her CD. She is currently working towards her CDX. One of her favorite things is seeing how many toys she can get in her mouth at once. She also loves is being a therapy dog. She shines at it as one of her favorite things is crawling into someone's lap and nuzzling their ear and taking a nap. She is a world class snuggler. I can't wait to see how far she goes. She is only 5 so hopefully has a long career ahead of her. I regret that Ed Westfall could not be here to see his dogs be honored with this award.

He is just a super dog. My only regret is that I didn't come to know the breed sooner in my life. However, I would like to thank Sandra McRae, Jan Doll and Leslie McFarland who were the breeders from whom I acquired my Bouviers. They all took a chance on me and for that I am ever grateful. We are so proud of Zack for once again placing in the ABdFC's Performance Top Twenty. This year Zack turned 10, some suggested we retire him, but the boy keeps going with enthusiasm. He and I have become one in our Scent Work challenges, with each title the searches become more difficult, yet we continue to progress. Zack just earned his Scent Work Handler Discrimination Master Elite Title, the first Bouvier to receive this placement. It is extremely rewarding to have mastered this level.

Training is ongoing in Scent Work, he has five Detective qualifications, and we are working on the next five to get his Detective Title. Zack is also working on his NACSW NW3 Title.

Another accomplishment this year was Zack's Novice Title in Agility, we continue to train weekly to compete in the next level this fall. Agility is without a doubt his favorite sport – sheer excitement, no one would guess he is a day over 5 years old.

This journey together has been incredible; his devotion is exceptional; our teamwork is phenomenal and his eagerness to learn something new and have a purpose makes life fun and exciting. Each day I feel blessed to have this loving companion in my life. Thank you, Sandi Lyon, for this magnificent boy.

BROKER *Broker*

GCH CH Margaux's One For The Money At Frontier HSAs HXAs TKN

Broker began his herding career in Arizona on cows but his skill set is now being honed on sheep in California by his trainer and handler, Jill Reifschneider. Jill refers to him as "her boyfriend". Let's not delve into that too deeply.

As he acquired his advanced titles in both AKC and AHBA to make this years' Top 20 (quite an honor, thank you), he inadvertently became responsible for a new verb and noun which will appear in the next printing of Websters Dictionary. That would be "to broker" (verb) or "to do a broker" (noun). Either phrase refers specifically to the moment when a dog has been asked for a quiet, controlled "walk up", loses his (bleeped) as he nears them and blasts into the sheep scattering them to the four winds (or three winds if only working three head of stock). In addition, this insures that any score he might have obtained up to this point is also blown up and retiring from the field is the best (and if the judge insists) only option. Working ducks in lieu of sheep, while having been suggested, is not recommended as Broker views those as foie gras.

Despite the above, he has earned points toward his Dual Championship in both venues and, who knows, he might even make next years' Top 20 if all goes well!

CHIEF - aka Prince Buckethead (This royal title was bestowed upon him due to his love of buckets).

This marks the THIRD year Chief has qualified as one of the top 20 performance Bouviers in the nation, as recognized by the American Bouvier des Flandres Club. To qualify, Chief earned 7 high-level working titles between May 1, 2021 and April 30, 2022. At only 4 ½ years old, Chief presently has earned a total of 44 working titles. Chief is a joy to train! A Versatile boy, he has participated and titled in Scent Work (both AKC and NACSW), Obedience, Rally and Carting. He has earned Blue Ribbons in all of these sports, proving a Bouvier can not only do it, but do it in style.

Chief is well known for his comedic antics. He loves being funny. In his spare time, he enjoys posing for his friends on Facebook, showing off the flowers in our garden, playing in his ball pit, or carrying around his many buckets.

Chief is my 6th generation from my DeLux foundation girl, CH Chenille de Lux CD HT TT SchH1. It truly took a "village" and several miracles to get him and his brother to the whelping box. I am proud to be not only his breeder but also his owner, trainer, handler, and friend.

Chief enthusiastically meets challenges in various dog sports and excels at any given task. It is my honor to work with a dog so willing and intelligent. Our bond is immeasurable. I look forward to continued achievements with him by my side. It is remarkable that this young dog will also be awarded the prestigious title of ABDFC VERSATILE BOUVIER GRAND CHAMPION this year!!! Champagne anyone?

She adores scent work and we will work on masters titles this period and maybe finish her Rally excellent.

She is the love of my life and gets sweeter with every year. Congratulations to everybody and thanks to ABdFC for this wonderful program.

If Scarlett's personality could be summed up with one phrase; it would be "joie de vivre". Eating, herding, running agility, going for walks and just waking up are all done with an incredible joy of living. She is the perennial puppy who is always peppy, funny, eager to please and always on a mission. Lately, she has decided that the 3 red zinnias in my flower pots should not be there. Each time I've gone out to water the flowers this summer, no matter where I try to hide them, the same 3 red zinnias have been pulled up and dropped unceremoniously onto the deck. I put them back and she pulls them out. We have such fun together and I am especially grateful for her temperament, her athleticism and her ability to make us all laugh. Most of our time is taken up training herding and agility. This year Scarlett received titles in Rally, Trick Dog, Herding and several in Agility. She has also been honored with an invitation as the second ranked agility Bouvier in the country to compete in the 2022 AKC Agility Invitational in Orlando this year.

Kanti is the hardest puppy I have ever raised. Rules did not apply to her. It took more than a year to find the right approach to corrections when needed. If she didn't like what you asked her to do, her response was to close her mouth on your arm, apply light pressure and look you directly in the eye. She showed great promise in both competition obedience classes and agility training early, only to "shut down" as she became competition ready. Her sound sensitivity eventually dictated finding her a new "sport" without all the noise. Even Carting with the noise from the cart, harnesses and other carts bothered her. Nosework fit her perfectly. Like so many of us, Covid put the brakes on many of our competition sports. To get her "out" and doing competitions, I turned to UKC Nosework while waiting for NACSW trials to resume. She showed me quickly that all our training was not wasted, completing all her Novice, Advanced, and Superior elements along with most of her Master and Elite elements in 1 year along with picking up her NW2 title.

Quinn is one of the sweetest Bouvs I've ever known. She has an easy going and steady nature. She is faithful and loving. And, she has a silly side that brings a smile to your face. Quinn began competing in Agility early in 2020. I wouldn't say that she loved the sport initially. But, she sure loved the grilled chicken pay off. She made slow but steady progress through Novice, Open, Excellent and Masters and last year was asked to participate in the AKC Agility Invitational in Orlando. I was a bit concerned that the venue would be a little overwhelming for Quinn. The exact opposite was the case. SHE LOVED IT. A new agility enthusiast was born and we've been running happy ever since.

How can you say no to a puppy that even after being placed aside numerous times, so I could look at other puppies, just kept crawling back into my lap and giving kisses? The answer is you can't. This is how Sako found his way into our home and our hearts.

He is the kid that will never grow up, but he has taken to all his training with gusto and pure joy. Sako has a great sense of humor. While training Utility, he will sometimes toss the glove outside of the ring, then turn and look at me with his stubby going 100 mph. Once in Intermediate Rally he picked up one of the signs and carried it to the next station – again with the stubby going 100mph.

I think the only thing he takes seriously besides breakfast and dinner is his herding, He stays really focused on the sheep.

Sako has been so much fun to train. He always puts a smile on my face.

Kaptyn is the do all dog, and has just received his 1st BOB in conformation, and numerous BOBOH. We are 2 Q's away from HSAsM and are working on that as well. I am so thankful to our team, friends, family and all that support our efforts as widespread as they are.

Congratulations to all who made Top 20, and to the ABdFC for acknowledging the achievements of these wonderful dogs and "Kaptyn", and special thanks to the volunteers who pull this together every year.

I thoroughly enjoy seeing her having fun in the different performance sports, especially in K9 Nosework. We are starting our journey in NACSW Elite trials, which is a big step ahead of us as a team.

Chili still loves to learn new things and I will keep challenging her.

In her off time, Chili enjoys bossing her younger brother Cruise around and stealing his toys and bones.

Chili you are my special girl, and you make me a better person.
