# WELCOME

*Welcome to the top twenty.*

The theme for this year's Top Twenty Gala is Imagine for so many reasons. Tonight, we celebrate the achievements of our top performing dogs in the country. For many of you, it is the culmination of a dream. A dream that perhaps began in the whelping box when "the one" finally arrived; chubby, wet and determined to start life. For some others, the journey started at puppy's 8th, 10th or 12th week on the planet. Nonetheless, as the coat, legs, head and body grew, the human imagination swelled with the possibilities that seemed unlimited. Some of these babies led us on their own path with an apparent gift for an activity they naturally excelled at. An Agility course, a field of livestock or maybe that look-at-me attitude that could not be denied. Gimmee the treat and watch this! Anyone who has set their sight on any competitive activity has imagined the possible goal at the end of the journey. It is an exciting, heart thumping daydream that just may materialize.

We honor and celebrate the past year's achievements of those dogs and owners who had a dream and imagined what might lie ahead. One's journey to the winner's circle may be through professional presentation or a dedicated owner who chooses to stand among these elite. It is, at the end of the day all about a dog, a breed standard and an owner's choice.

Congratulations! Your and your dog are one of an esteemed group of the best of the best!

Your Top Twenty Committee,

Christa Townsend, Susan Upcraft, Sue Vroom, Sharron Lux

They say I was born in the show ring. Not true. I was actually 13 days old when I attended my first dog show.

My parents were active in breeding and showing chows. Our claim to fame in the chow world was breeding and showing CH. Donlee Prophet, who became the breed's top producing stud dog siring 62 champions.

I started in junior showmanship when I was 10 years old and began working for handlers at age 13.

Somewhere along the way I decided I wanted to get into a more versatile breed and the hunt was on. After an exhaustive search my folds & I fell in love with a beautiful Bouvier named Lexi. His owner referred me to a breeder, Diane Schwind, who had a litter out of Iboef, the Sire of Iron Eyes.

Lyric joined our family in 1987 when she was 7 weeks old and became the foundation bitch of Donlee Bouvier. I could write a book about Lyric. She was the smartest dog I ever known with a wicket sense of humor. My kind of bitch!

Lyric produced 12 champions. So far, her progeny have produced an additional 55 champions and counting. By my best account, these 55 champions were produced from just 5 brood bitches over the years. We have been inducted into the Bouvier Top 20 Hall of Fame. I guess that's not bad for a small time breeder.

Of course I married handler/Bouvier groomer extraordinaire, Jorge Olivera. We've had the honor to show many best in show winners over the years, several which were dogs we bred or out of our lines.

Thank you for the honor of judging the top 20 2018.

*Danelle Brown* AKC All Breed Judge

I entered the world of conformation dog shows with a Pembroke Welsh Corgi in 1986. Since then I have been blessed with many Specialty and BIS winners. I began my judging career in 1998 and was licensed for Bouviers in 2011. I have judged not only in the US but also in Korea, China and Australia.

I participate in conformation, rally, obedience and agility. I believe Herding dogs are the best and can excel in all venues!

I'm honored to be invited to officiate at the 2019 Top 20 competition.

*Alfonso Escobedo* Handler Judge

My youngest memories involve being part of the dog world in Mexico, with my father's breeding of Doberman Pinschers. This passion for pure bred dogs eventually led me to America where I spent ten years under the mentorship of Jorge and Susie Olivera of Donlee Bouviers. While with them I gained a deep appreciation and knowledge of the Bouvier (correct type, temperament, breeding, conditioning, grooming, handling, etc.)

Since starting my own career as an all breed professional handler, I've been responsible for the championships of many quality Bouviers including a couple that have been presented at this revered Top 20 event.

I am honored to have been chosen to be one of the judges for this year's event and look forward to sharing the ring with its finest representatives.

# ANNIE

## Annie

### *GCH Margaux's Annie Get Your Gun*

I literally picked Annie out from a picture. A Casper-Carrie daughter, how could I possibly go wrong? She has definitely proved to be the right pick for us, with an exceptionally sweet and laid-back disposition.

Annie definitely has the makings of a great show girl. This past year she has shown on a very limited basis and has managed to stay in the Top 20 and have a litter of nine beautiful puppies.

She is a multiple group winner and we are looking forward to next year and more winning. A special thank you to Greg Reyna and Dennis Kennally, for their love, care and expert handling of Annie.

We are delighted to be in the Top 20 and wish all worthy contenders the best of luck tonight!

# BABKA

## Babka

*CH Quiche's New Benbears Babka CGCA CGCU*

We went to Canada on April 15, 2018, to pick our puppy at Quiche Kennels from Elaine and Louise Paquette. My mom and I had no idea what this one puppy had in store for us, she was such a lovely and shy grey brindle ball of fluff, boy has that changed.

Our goal was for me to show and finish her with the help of our new mentors. It took a while for us to get her Championship with limited showing due to Mom's health but it did finally happen. Along the way we participated in the National Owner Handler Series, and Babka did great. She qualified # 8 in 2017 NOHS Finals out of the classes. Our greatest accomplishment was winning a NOHS RBIS out of the classes, Mom cried when I called to tell her. God Blessed us that she was still here when we had biggest win. I know my parents are proud of what we are accomplishing and are watching down from Heaven cheering us on in our adventures in and out of the show ring. She also has quite the following in social media with her posts about her competing in both the Summer and Winter Olympics. She also loves dressing up and being a total Fashionista.

# Blayz

*GCH CH Always Blayz of Fire Salvia BN FDC CGCA CGCU*

The thrill and excitement of having one of my special babies, Blayz, earn a spot in the Top Twenty is only surpassed by the gratitude I have for Jo Lapp, her owner/handler. When Jo flew out to meet me and visit the litter, I never imagined the path we had started down. In no time, Jo decided on which puppy she wanted and thankfully, it was the puppy I had picked for her. A few weeks later, we met midway between Denver and Raleigh and the little purple puppy became Blayz.

With limited showing Blayz was awarded BOB & BOS, from the classes over champions, earning her championship at 18 months. A few weeks later, Jo and Blayz had won the Greater Washington Specialty and shortly thereafter they were celebrating Blayz's Grand Championship. In their spare time, Blayz accumulated other titles – CGCA, CGCU, Farm Dog and Beginner Novice Obedience. Jo has done an amazing job with her. Watch for the two of them in the performance arenas soon. I predict many more titles and celebrations for Jo and Blayz in the future.

Jo and I would both like to thank June Guido – groomer extraordinaire – for all her help preparing Blayz for success. Thanks June!

# BROKER

## Broker

*CH Margaux's One For The Money At Frontier TKN*

Broker was a singleton, hence the name. He is a combination of many dogs I bred that are dear to my heart and others whom I admired greatly. Sentimentality won the day as I was not sure I was ready for a puppy. As it turned out, I was not ready for a puppy. Are we ever? With perseverance and a good obedience trainer, I got him into the ring. Broker finished his championship by winning six out of eight shows in which he was shown by garnering four majors and six BOBs. Those six got him into this year's Top 20. We are honored to be invited and I only hope that Broker behaves! It is not a given.

Dear DJ,

You have made us very proud throughout your show career. As an Owner Handed dog with limited showing, you were able to acquire multiple Group wins, NOHS multiple Group wins plus 2 NOHS BUS, and who could forget winning the Canadian National! We had fun together, but you deserved more.....

The first time you went into the ring with Larry Fenner you won the Group! And a new adventure began for both of us! Larry has trained you to be strong and groomed you to perfection! You have become an amazing team! Every time I watch you ringside I'm filled with excitement as you move effortlessly around the ring with power and determination and then Larry swings you around into a perfect stack. My heart stops! It's obvious that you adore Larry and you should! You started off 2018 as the #1 Bouvier all-systems and together you have worked hard to retain that top ranking. At last you are getting the recognition you deserve!

Thank you, DJ and Larry for all the hard work and dedication you have put into this amazing year!

The Lifetime stats have him in the top five Owner Handled Bouviers and number two Owner Handled Bouvier in 2018 at this time.

What is most important to us is that Hans is an absolute joy to live with. He is a kind and gentle companion to his thirteen-year-old Bouv housemate.

*GCHB CH Margot High Jinxx Au Dela Des Mers*

A third generation Champion from Au Dela Des Mers, Margot was born in Arizona with Judith and raised by Larry & myself in California. Margot started her conformation career and achieved her Championship and Grand in short order. She attended the 2015 National Specialty in Loveland, CO where at the Rocky Mountain Regional she was awarded Best Opposite Sex over a large impressive group of Specials.

Margot became the mother of four pups in September 2016, then went back in to the conformation ring in April 2017 where she qualified for the 2017 and 2018 Top Twenty. With her “look at me” personality, she has accumulated multiple group placements and has a number of Group wins. As proud as we are of her puppies- 2017 Futurity Best Dog and Best Bitch, Sweepstakes Winners, performance title holders and conformation Champions – we know that Margot is not finished surprising us with her enthusiasm for showing and being an Ambassador for the Bouvier breed.

Friend, Mother, Show Dog and Entertainer, Margot is all that and more. We look forward to seeing what the future holds for this special girl.

Maxx is a third generation champion for Au Dela Der Mers. She and her litter-mate, Margot, a two time Top 20 honoree, were born in Arizona with Judith Abramsohn, and later raised in Riverside with Larry and Judy Kasper. After weaning, she came to us in San Diego joining a 3 month 'sister' Mara. Satisfied to let Mara be the 'show dog', Maxx took her time finishing her AKC championship title. Maxx blossomed as a 4 year old in the Best of Breed ring, finishing her Grand Championship in short order with multiple best of breeds and group placements. Maxx has quite the personality, having inherited her father's frogging and vocalization skills. We look forward to her future accomplishments both in and out of the show ring.

### *GCHB CH Terra-Nevada's Nobody Does It Better*

We are honored to have Minion qualify for her second Top Twenty. She was ranked number three Bouvier in 2017, and we were pleased that she placed AOM at the 2017 Nationals as well as the BCNC Specialty. Her career has given her success beyond our dreams with multiple Group Ones as well as multiple Group placements. This is no small feat when you consider that Minion loves HER people, but if you're not on her approval list, well...you're just not!

Minion is a lovely second generation Top Twenty Bouvier, with her Dam being honored in 2015. She has passed all of her OFA health testing with flying colors, which makes her sound, as well as a beautiful girl.

Minion has many admirers who have helped her along the way. A special Thank You to Susia and Jorge Olivera, and their team that helped Minion to accomplish so much!

We are so delighted to have Nash as part of our family. He has such a lively and cheerful disposition and enjoys new adventures. He earned his Rally Novice titles last year, Novice Draft Dog title this summer, and is working on scent work, farm dog and herding next.

We are so proud of him for qualifying in the Top 20. It’s been a thrill ride getting here, and I owe much gratitude to Mariko Saum, Margaret Brown, Shawn Spendiff and Lynn Brimmer for their coaching of both of us, as well as artful grooming.

Congratulations and best of luck to all of the Top 20 Conformation and Performance Bouviers.

Grand Champion Serendipity Legally Blonde CGC, CGCA, TKN< TKI or “Pinkie” as we call her, has blessed so many lives with her wonderful temperament, doing not only therapy visits but greeting children and adults wherever she travels. She loves everyone she meets including other animals; her best friends are a cat named Buggy & a Shih Tzu named Graham. She loves to show & sometimes gets too excited, announcing her presence in the show ring by giving a loud “woo woo” yodel while going around the ring! “Pinkie” has accomplished a lot considering she was the first show dog handled by Laura in over 35 years. She is titled AKC Grand Champion plus trick and companion dog, UKC Champion, and holds numerous additional Champion, International and Intercontinental Champion titles in other show systems and is most always Owner Handled. She has won numerous NOHS Best In Shows along with several Regular Variety Group placements and several UKC Best In Shows. She is the best travel partner, companion, bed hog, show dog, trick dog, couch potato, “fuzz-face” and “fuzz-bucket” anyone could ever want in their life.

## Sequel

*BIS RBIS BISS GCHB I'm Special Griswold's  
Official Sequel*

Sequel enjoys making use of clever methods to solicit an adoring touch from anyone and everyone she can meet. Often her stuffed Hedgehog is the luring device, most other times she invokes the well-known Bouvier "I'll just lean on them until they notice how attached to me they are" tactic to accomplish her attention getting goals.

With an outward confidence displayed on the streets of New York while obtaining BOB at Westminster last year, Sequel proved she's never met a stranger and we're grateful to all who enjoy her subtle silliness as much as we do.

Sequel is currently pursuing Scent Work titles and is being introduced to Carting, both seem to suit her very well albeit not as wonderful as chasing a flying Kong toy. Retrieving that Kong to hand? Sure, she can do that, one time.

We are keenly looking forward to enjoying Sequel sequels in the near future.

Silver has a special sparkle. She's the one who gets the party started and lets nobody miss her entrance. She's a girl of great confidence and loud voice who loves to talk and can't wait to give her human and canine friends hugs and kisses. At home, she's an accomplished ball player (with her partner Bill) and keeper of time, making sure dinner is never late.

Her love of the spotlight goes with her into the ring. She quickly gained her championship with four majors and her Grand Championship in straight shows. Now a Bronze Grand Champion and well on her way to her Silver GCH at just three years old, she's currently the #1 Bouvier Bitch in the country (breed) – and a Top Ten Bouvier nationally (both breed and group point systems) in tough Pacific Northwest competition. She's an NOHS Best IN Show winner with multiple NOHS Reserve NOHS Best IN Shows.

She's a fifth generation Top Twenty Bouvier and the 8th qualifier added to our small breeding program's list on the Top Twenty Outstanding Breeder Honor Roll.

Silver is always owner handled.

He has now attained his Silver Grand Championship. I cannot say enough about him other than to thank Elain and Louise Paquette for allowing me to get this boy while I was at the nationals four years ago. Willie was born a singleton puppy, and why was it decided he was a keeper, what made him special.... HE DID!

As a baby he was just so darn cute! He is very sweet, and has never met anyone he doesn't like. He has a positive can-do attitude about everything. He showed great promise, even at a very young age. Willie just loves life! When we stay in hotels, we get 2 beds, because he loves to jump from bed to bed as a fun game, showing sheer delight at these antics!

He is a boy that gets down to business no matter what ring he is in (Conformation, Rally, Scent Work & Agility). Some people were pleasantly surprised to see how loving and well behaved he is outside the ring, after seeing his attitude and intensity in the ring. Willie has a true Bouvier temperament; he moves and performs with power and purpose. He gets the job done, and is also the most lovable, sweet dog, especially with children and his circle of humans.

Mardi and I are excited to be invited to the Top 20 Performance event for the 3rd time, this time as an Elite Bouvier. Mardi, the Bouvier with Border Collie Drive, is easy to live with, has incredible Drive and Focus, and anywhere the tennis ball goes she is right behind it. The fun we have had together is amazing! In 2016, Mardi competed at the Agility Invitational and qualified for the Finals, ending up with #10 placement of all 24" dogs. Mardi was awarded the ABdFC Agility Top Bouvier Medallion. In 2017, Mardi completed the requirements for her Preferred Agility Championship (PACH) and qualified for the Agility Invitational as the #1 Preferred Bouvier. Mardi was unable to attend due to a broken toe. She does put every fiber of her being into her performance. Mardi is a loyal, dedicated and hardworking Companion. The toe has healed, and we are back running agility again. She worked hard in physical therapy to get back to competitive agility at 8 years old. The time has flown by but there is still fun to be had and Mardi and I will be out there enjoying it together.

## Evie

*HTCH La Perla Genevieve HSAd HSAsM HIAsM CGC  
FDC HTADcIII HRDIII STDs*

Evie, owned by Mike and Mary Sloane of Cave Creek, AZ. She was bred by Pam Garrey of Scottsdale. Very early on, Evie has had an incredible need to use her mind as much as her body, so it made sense she would excel in herding. (Now if they ever sanction cat and rabbit chasing, that may be her next big success!). Her handler, Cathy Sumeracki, has had the pleasure of training and showing her and is very proud of the work Evie has done throughout her career. She is a high drive, authoritative herder who loves her work. Evie has her Herding Trial Dog Championship (HTCH), has been a two time Champion of Battle of the Beards and is currently working at an advanced level in AKC. First and foremost, Evie is a pampered member of the family and when she's not running about the ranch at SummerNy, she enjoys playing with her Bouvier brother Beau, running on the treadmill to keep her athletic build and swimming in the pool. It is an honor to be with the rest of her fellow Bouviers in the Top Twenty Performance rankings.

Meet Wilma II a typical Bouvier who is loving, stubborn, loyal, independent, protective, an incredible athlete, as well as a social opportunist.

At 4 months old, she started imprinting on HRD (Human Remains Detection). We worked on search and rescue team MARK9, from there we moved into nose work before being introduced to barn hunt and that was all it took. Once her natural prey drive kicked in and once she understood the game the rest is history. She is the first Bouvier to hold a Master Title and also the first to hold a RATCH.

Her other favorite performance sport is herding and has trialed in both AKC and ASCA events. She currently has Herding Started A Course Titles on sheep and ducks. Presently we are working on Intermediate level sheep and ducks, but soon we will start training on cattle. Herding and Barn Hunt is the perfect balance for us.

Hanna, Hanna, Hanna....that's what we call her!  
Whether it is obedience or agility everyone knows who  
Hanna is!!! She is never still and always into everything!  
She is a beautiful working bitch from Judy McConnell's

naughty, and we keep telling Judy she is coming back to  
live with her but somehow, she just doesn't go!!! We do  
love her dearly.

Not only are we proud that she is an Elite Bouvier of  
the Top 20 Performance Dogs but she also has received  
an invite to the AKC National Tracking Invitational for  
2018. Only two Bouviers have accomplished that and we  
are pleased to be one of them. Tracking is our passion!  
She loves to do Nosework and Scent Work also. Congrats

He has won the Tammy White Trophy twice in his herding career and many High In Trial and Reserve High in Trial herding awards. At the 2016 Nationals he began his obedience, tracking and carting careers. He was also High In Trial at the 2016 herding trials. This girl is an absolute Jewel! I wanted a strong performance dog and she has proven herself serious, determined and hardworking ever since she was a puppy. A friend once commented that "she was never actually a puppy". She has titled in Schutzhund, tracking, herding, carding and barnhunt. She is willing to learn anything. She has been praised by judges who state that she is "a great team worker and a very responsive dog".

She's happiest working at the ranch. Whether that be herding sheep, cattle or geese. Her powerful persona has proven to be a challenge with the sheep. Our sheep herding career has taught me so much about patience, humility and perseverance.

Jewel's personality is multi-faceted; my Alpha "Queen Bee" is in control at home but the concern and tenderness she displays towards a hurt or ill pack member is heart breaking.

My life has been greatly enhanced by having this little Jewel. Special thanks to Lu Meyer who recommended that I reach out to Krys Johnson and Hal Wilmont for a puppy. And thank you Krys and Hal for trusting me with a puppy.

I'm honored to be in the Performance Top 20 with Mina. This bright, energetic and versatile dog earned the following titles during the competition period:

AKC Obedience: Companion Dog Excellent and 2 legs toward her Graduate Open title. She entered the Utility ring in May. We hope to be the 14th Bouvier to earn the UDX title and someday an OTCH.

AKC Agility: Novice and Open titles in both Jumpers and FAST. Her 2nd Open Standard leg and 10 Time 2 Beat points. She also completes in ASCA and DADAC Agility, earning Novice and Open titles in several classes.

Carting: She earned her Advanced Draft Dog Titles, and won High in Trial at the NAWBA Carting Trial. As well as being a good competitor, she helps with daily chores. She has moved rocks to build retaining walls, sod for new grass plantings, and of course, pulls the bucket to help with poop scooping.

She has a leg in Barn Hunt and is learning to herd sheep and ducks. Being a little trickster, the Intermediate Trick Dog Title was a breeze for her.

I look forward to many years working together to reach our lofty goals.

Thank you to the 2018 Top 20 Committee for hard work and another outstanding event!

Hawkeye began his scent work career in 2009, when the sport first came to Washington state. He was the first Bouvier des Flandres to earn a Nosework 1 title and the first to earn a Nosework 2 title from the National Association of Canine Scent Work. He would have been the first to earn a Nosework 3, but because of the popularity of the sport, it took 4.5 years for Team Hawkeye to secure an entry into a trial. Two of his offspring, Alpine Lady Lancaster and Alpine Lockheed Lightning have also earned their Nosework 2 titles.

Hawkeye is also active in herding, an accomplished carter, serves as a demo dog in scent work classes and as a white dog in AKC and USCSS trials.

This is Olive's 4th year in the Performance Top 20! Olive and I began agility when she was 3 1/2 and I had just turned 60. We learned the ropes together and I could not have asked for a better dog with which to learn agility. She has always been fast to pick up new techniques, watches my every move and responds confidently to her cues. She will quickly adapt and "cover" for me when I make a late call or realize that I have to abruptly change course. Olive earned her Preferred Agility Championship (PACH) in January 2016 and she continues to compete. Even though we have cut back somewhat on our trialing schedule; she has at 10 years old just received her "Master's Standard and Jumper's Preferred Silver" titles. We continue to keep busy rain or shine and if we are not doing agility, we get together with our dog friends to walk, herd sheep and track. Olive is such a wonderful and special dog to me. We have that bond that only needs a glance, a flick of the ears or a tilt of the head to communicate to each other. I could not be more proud of her.

Leslie invited me to visit and help socialize her new litter of 11 puppies. I fell in love with the tiny runt of the litter. I decided God made her special for me. I just had to have her. Casey has tenacity, intelligence and an agile body perfect for the performance sports. Most importantly Casey has a wonderful disposition that makes me laugh every day.

She was a natural in agility from the start. Casey has performance sports in her genetics. Both her dam Gracie and her sire Dillon are on the Elite performance list for 2018. At three years old, Casey is listed as the #2 agility Bouvier des Flandres in Regular class for the 2018 AKC Invitational. This year she received six performance titles, including three master's titles in agility and CGCA.

If genetic wasn't enough, Brutus, her big brother has been a diligent teacher and role model. If he can do, she wants to do it better. I am blessed to have my precious little girl running by my side, hopefully for many years to come. Thank you Leslie for saving the adorable "peanut" for me.

*GCH CH Quiche's Livin It Up In Texas*

Texsi may prove to be my most challenging dog ever to train because of his independence, enthusiasm and drive. This makes him a perfect performance dog as he always keeps me guessing and on my toes. Beneath this bold confidence is a soft, happy dog that brings comfort to the staff he visits at the 9-1-1 Call Center. We, along with 5 other dogs and their handlers, are part of the founding therapy dog teams from K-9's On Call Support Dogs. This group was founded to support all 9-1-1 staff and first responders in the Austin/Central Texas area. Texsi entertains the call staff with his funny tricks like going nite-nite and saying his prayers. In his mind, he is just having fun, never realizing his silly antics are relieving the call takers everyday stress. Agility is what makes his the happiest. It is a game that fits his personality-fun and fast all the while, being my loyal team mate.

Congratulations to all participating this year in both the Conformation and Performance Top 20. Thank you to our club for honoring the Performance Bouvier.

# Kallie

*War Bouviator Kallisto CD RE AXP AJP NFP TKN  
CGCA NW1 DDCN*

It is a real honor for Kallie to be included in the ABdFC Performance Top 20.

Kallie is a joy to live with and to train – she’s up for everything, even if it’s just a car ride. Friendly to most people, she is protective when the situation calls for it. She likes most dogs, but they must acknowledge that she is Queen before peace and friendship reign.

And Kallie is a lot of fun to compete with. We are active in agility, nose work, and obedience. She has made it abundantly clear that she prefers agility and nose work over obedience. It has taken us a while to become a team in agility. Kallie is more independent than my previous Bouvs, which is great, but which makes apparent how handler-challenged she is. However, I am improving, and she seems more able to interpret my intentions if, at times, not my actions. Nose work is interesting and fun. It is somewhat intimidating to rely totally on her to figure things out rather than give continual guidance. In obedience she becomes “creative,” and sometimes all I can do is shake my head and laugh.

I can hardly wait to see in what directions our training will take us!

## Pearl

Pearl has always been a very sweet cuddly Bouvier. She was good in her obedience classes and earned her CGC quickly. When I exposed her to agility she enjoyed the different obstacles in beginners class. As we started stringing a few obstacles together her idea of agility was one and done. One jump was plenty, So we stopped, then after 6 months of watching her mother, Mardi, and aunt, Winnie, running, she was interested again. She remembered everything and off we went. Her consistency was a nice surprise. I love this girl and I am proud of her accomplishments. With 18QQ's achieved and 850pts, Pearl will achieve her MACH soon.

Pearl's accomplishments this year:

2018 #1 AKC Agility Invitational Bouvier Invitee

2017 Top MACH Bouvier des Flandres

2017 #1 AKC Agility invitational Bouvier invitee

# QUEST

## Quest

*Mapleridge Daelgardes Heaven's Quest MX AXJ*

A “Blast form the Past” in a match made in “Heaven”, Quest was sired with frozen semen from CH Daelgardes Flash, Winner’s Dog at the 1990 ABdFC Specialty, bred to CH Mapleridge Heaven on Earth. We are grateful to Pat Holmes for renewing our memories of so many of our early Daelgardes Bouviers with this breeding. Quest is a very sweet girl, full of bounce, and gets her biggest grins from running full-out at top speed chasing anything that moves. Alternatively, in the house, her favorite spot is in an armchair gazing out into the woods. This past December she qualified and competed in the 2017 AKC Agility Invitational. Temporarily sidelined with a shoulder injury, we look forward to Quest being back in agility competition in the spring of 2019.

# ZOEY

## Zoey

Life has been a blast with Zoey. The past year I have seen how her confidence has grown in the performance rings and how she has met these new challenges head on. From learning the Agility A-Frame was not an extra wide diving board to conquering her Obedience nemesis – the board jump. When not in the performance rings, Zoey is participating in canine public education events or making therapy dog visits at one of our local hospitals where the nurses have nicknamed her “Jaqueline Bouvier”.

I would like to thank the ABdFC for hosting this beautiful Performance recognition event. It is a real joy to see our honored Performance and Conformation dogs together in one evening. I would also like to thank Wilbert Reid for allowing this sweet natured girl to be a part of our lives and thank Joann Neal whose training expertise has gotten me through the rough spots for almost 30 years.
