2023 Top Twenty

A Letter To Our Friends

Welcome to the 2023 Top 20 Celebration!!

As the ABdFC celebrates its 60th birthday this year, this evening, we too look back. Since we gathered in Missouri last year, the dogs and people we celebrate this evening have worked long and hard to earn the invitation they received to be recognized by the ABdFC and by their peers. Regardless of the venue in which they choose to compete, these teams have risen to the top of their competitions.

Like the club, the Top 20 has grown since its beginning in 2000. Originally started to recognize Bouviers who were the most highly ranked by the number of dogs defeated in conformation competition, the program has grown and diversified. Bouvier owners have increasingly begun to participate in a wide variety of dog sports. Every one of us who owns one of these wonderful animals knows convincing them to do what you want them to do, when you want them to do it is not an easy task! We have all been at the receiving end of either the blank stare or the stink eye – one says “I have no idea what you are talking about”, the other says “not gonna do that today”. It’s frustrating, embarrassing, funny and very rewarding when it all comes together, two can act as one, and the titles begin to be awarded. Whether these folks and their dogs like to run, jump, negotiate set courses, sit, stay, pull a cart, herd or sniff – they’re doing it together and achieving! The Top 20 program expanded twice to celebrate these achievements. Once to incorporate performance teams, and again to give special recognition to those who have earned Championships during the year. It is wonderful to see our breed wonderfully represented and we celebrate you this evening!

The original goal in Conformation was to attain a Champion title. After that was accomplished, some dogs continued to be shown, most campaigned by professional handlers. Top 20 highlighted the Bouviers who defeated the highest number of other Bouviers. A wonderful evening to show off the “cream of the crop” and toast the success that those dogs and their people had earned. AKC expanded the CH title to GCH, and Bouviers answered the challenge and continued beyond CH in large numbers. AKC then created the NOHS program – another goal to be met. Of course, Top 20 in turn expanded to include and celebrate NOHS ranked teams! This year, almost all the eligible traditional and NOHS teams are here to participate this evening. Whether the dogs are handled by a professional, their owner or breeder – they are all truly at the top of their class!

The committee wishes to extend their congratulations to all our participants. We salute your goals and accomplishments and are so proud to honor you and your Bouvier! Please accept our best wishes for continued success.

TOP TWENTY 2023 *Judges*

HANDLER JUDGE

Kent

Kent is a third generation dog handler. He got his first Whippet and finished his championship and showed in Junior showmanship. After college, he began handling dogs and married his wife in 1995. Together they have bred and handled many top winning dogs to national specialty wins and Best in Show. Kent and his wife own several pet resorts in Illinois and Wisconsin. Kent served on the Board of Directors for the Soft Coated Wheaten Terrier Club of America and has been a member of several dog clubs in Northern Illinois. He and his wife have one son and share their home with several Bouviers and Soft Coated Wheaten Terriers. He looks forward to judging the top 20.

AKC JUDGE

Edweena “Teddy” McDowell

As a young girl, I was so lucky to have parents that loved dogs. I was surrounded by two Great Danes named Plato I and Plato II, a black Cocker spaniel named Pepper, a gun-shy yellow Labrador named Jodi and a Toy Poodle named King.

When I moved to Chicago, I had two Old English Sheepdogs.

As time passed my husband wanted a smaller dog. We attended the Chicago International Dog show. We took the Purina computer quiz and it suggested Whippets or Cardigan Welsh Corgis. It was at this show we met our first Cardigan breeder. That was our introduction to dog shows.

We started breeding in 1990 under the kennel name of Camelot Welsh Corgis. We have finished multiple champions with many group placements.

I was approved to judge Cardigan Welsh Corgis in 2000. I got the Herding Group in 2008. I then got the Sporting Group in 2018, and the Terrier Group in June of 23.

I have had the opportunity to judge in many foreign countries such as:

The Canadian Welsh Corgi National

China for the NGKC multiple times

Finnish Corgi Specialty 40th Jubilee Show

South Korea Kennel Club

Torreón, Mexico

My most memorable assignment was Judging the Cardigan Welsh Corgi Club of America 2005.

I never get tired of judging, and the camaraderie each show presents.

BREEDER JUDGE

R Mariko Saum

My life with Bouviers began in 1989 with my first girl, Woody. I had my first show dog, Sassy a Shetland Sheepdog, in 1974.

From Sassy's Breeder I learned about breeding with Pedigrees, as she had 40 years free of PRA before any genetic testing was available.

I found the Bouvier des Flandres to be the perfect dog breed for me; all around workers, empathetic, strong and exceptionally intelligent.

I have strived to maintain these qualities in my Breeding Program. I am proud to have bred BIS, Top 20, performance, and Service Dogs. I am very proud that all have been exceptional companions.

Thank you Top 20 Committee for inviting me to be the Breeder Judge for 2023. I am truly honored.

ARIEL

Ariel

GCH CH Sovereign's Ultimate Princess

I know everyone thinks their dog is special and I am no exception. Ariel is so much fun when she is not getting into trouble due to her persistent curiosity and energy. She is loving and generous with kisses and cuddles and is always happy. She participates in multiple activities including tracking, herding, and obedience rally. She approaches all activities with enthusiasm and focus. I am so happy to be the owner of this girl. Thank you Sam McGeachy, Dayle Sullivan, Cameron Riegler and Barry Leece.

BLONDIE

Blondie

GCHS Bon Idee's Simply Irresistible Blonde

Blondie was a puppy of the pandemic and spend most of her first year hanging with mama Toni at home, by the pool or at Irvine Cove beach in Laguna chasing the sea gulls and the waves. Her call name "Blondie" was picked for obvious reasons and as a reminder to a former family dog of the same name that was a long-lost cousin of hers from Ironeyes.

She had to journey out of the state due to no shows in California to finish her Championship and succeeded in just three shows in Utah under the guidance and handling of Susan and Jorge Olivera. Blondie embarked on her adult show career a year and a half ago and over that time has earned both her Bronze and Silver AKC Championships with handler Crystal Chapman.

There is little question that the most important thing to happen in Blondie's show career so far has been being names to the 2022-2023 ABdFC Top Twenty. It is an absolute honor to be included with this collection of dogs that are simply amazing.

As to the future for this fawn beauty, only time will tell. It has been said by her handler and others that with her high degree of intelligence "she is not really a dog". With that in mind, her next focus will probably be to become accomplished in obedience where she can finally prove she is much more than a pretty girl!

BRIENNE

Brienne

GCHB I'm Special Ser Brienne of Chusan

Brienne is one of the big joys of our lives, and we can't thank her breeders, our mentors, and friends Pat Murray and Jan Litogot enough. She has been our show dog of a lifetime, earning an Owner Handled Best In Show. Brienne was named after Ser Brienne in Game of Thrones which we binge watched together during the lockdown – lol! She is a “daddy's girl”, complete from sleeping on Chuck's feet while he worked from home, to playing ball and long walks with him. She has adapted to our move to the South well with early morning walks to avoid the heat and learning to negotiate our deck and hot patio for ball play. She continues to spoil us with her “bouvier” temperament and her successes. We are thrilled to be part of the I'm Special legacy and participating in the Top Twenty.

BUCK

Buck

SBIS NOHSSGCH Calm Think I Struck Gold

Showing Buck is an adventure. He's a boisterous teenage Bouvier boy in every way – sometimes leaping in the air just because. Like a good Herding dog, he's highly aware of everything going on around him. Getting his focus is sometimes a challenge. He grabs attention everywhere with his golden good looks and charm.

Buck had big shoes to fill with the retirement last July of his top winning mother Silver. He hit the ring in August, and what a kick! He beat the specials all three days from the Bred By Class, earning 14 points then finished at his next show. He became an immediate Herding Group contender, placing his first week as a special. Two months later he became a Best In Specialty winner. With only four months of showing, Buck ended 2022 as #12 Bouvier All Breed and #14 Breed points.

Buck's been consistent competition in the NOHS ring, with a current ranking of #5 and his NOHS Silver even though he's not been shown much in 2023. I've been splitting ring time between Buck and his sister Selene to get their performance polished up – with hopes for a highly successful Breeder/Owner Handled Specials careers for them both.

CAYLEE

Caylee*

GCH Bon Idee's The Road I'm On FDC ANDD RN CGCA TKN VBB VBX

Caylee is a complete study in contrasts – is a great flyer, hates to ride in the car. Loves to be fussed over, but hates being stripped. Hates being confined to a crate during the day but runs to her “sleeping box” at night. She’s calm, but active and likes to talk – a lot. There are numerous other examples of her quirks, but at the end of the day she is smart, loving, fairly easy to train (although we had some doubt over the cart, but she overcame it) and has the attitude one would want for both conformation and performance competitions.

Caylee has done very well in the conformation ring at this writing is just a few points shy of her GCHB, has earned NOHS Silver and we will continue to work for higher levels. Together with Susan Katzenstein and myself she has earned several traditional and NOHS group placements. She is also now half of team Caylee/Kayleigh – showing well for Kayleigh Bowen in Juniors competition for the first time the end of July. I was thrilled to see how well they did together.

This year she has earned her Rally Novice and as well as Advanced Novice Draft Dog titles. We will continue to move forward with more performance venues as long as she continues to enjoy it, hoping to attain VBCH during the 2023 qualifying year.

I am tremendously grateful to Angie and Brenda for their trust and allowing this California girl to migrate to Texas. Special thanks go to Susan and Tommy Katzenstein for making her look great and perform well in the conformation ring. Hats off to Denise Tatro and Carrie Lovell for their wonderful instruction and understanding that Bouviers have their own special approach to tasks!

GCH I'm Special Sirius Star's My Cherie Amour

When Pat Murray said that I could have the only other bitch puppy in the highly anticipated "Sequel" litter I was very excited and honored. Not only was momma Sequel beautiful, she was sweet and gentle. When I picked up Cherise Pat neglected to tell me what a firecracker Cherise had become; a personality I actually prefer.

Cherise is so much fun to live with. At home she is sweet and sassy, extremely intelligent and very outspoken. In the show ring she is beautiful and feisty. She has a dynamic presence.

Not afraid of a challenge, co-owner Connie Parisi trained Cherise and showed her to her championship. Professional handlers Michelle Scott and Rebecca Clas-Kirzner showed this firecracker to numerous big wins over large entries. It takes a village.

Beauty, brains and definitely personality – Cherise has it all.

Courtney started her life being the ultimate party girl. There is still no game she doesn't engage in and no stranger in her eyes. Whether she is greeting a new friend, visiting with the examining judge in the ring, or bouncing to the top of a run when waiting for her food – life is just a party to her. She has accomplished more than I dreamed only being spot shown – a Best In Show, two Reserve Best in Shows and three Specialty Best of Breeds. She has made this trip a party for all of us.

Delaney is a wonderful dog – sweet, fun, willing to try anything and a nationally ranked Bouvier in All Breed Competition. Delaney is the #1 NOHS Bouvier lifetime and for 2022 was the #2 NOHS Herding Dog. Delaney was honored at the inaugural Canine Chronicle and International Kennel Club of Chicago NOHS Gala as the #1 NOHS Breed. Delaney continued to place in the Herding and NOHS groups during this last year. Last September, Delaney won RBIS. During 2023 Delaney took time off for puppies where she also excelled as a dam! The puppies have inherited Delaney's love of dog shows as well as her structure, soundness and correct movement. One puppy completed their Puppy of Achievement title and another won BIS in the 4 and under 6 Month Puppy Competition at the same cluster where Delaney won a Herding Group 3.

Though we have not been able to attend the Specialties and Top Twenty competitions, we wish everyone a great Specialty.

Thank you to the judges who reward Delaney, our fellow exhibitors who love Delaney as much as we do and to Delaney for everything!

Flare had to grown into his angles. Sometimes as a puppy those legs went everywhere. Nonetheless he was able to win Best in Sweepstakes and Best Puppy at a SCBDFC specialty in 2021. He was awarded his first Best of Breed (over specials) on his first birthday. On the day he finished his CH, Flare was awarded his first NOHS Group 1 as well as a herding group 2. He qualified on NOHS points and achieved his NOHS Bronze in limited showing (we live in AZ where there are way fewer shows than in other areas).

A breeding program can be a bit like working a jigsaw puzzle, but you are putting your pieces together over generations of choices made on mating dogs to bitches. Thank you to the other breeders I have worked with over the years for sharing similar goals and for your hard work and to my friends who help me with taking my dogs in the ring when I have multiple entries or step in a hole and pull a muscle.

Quiche Kennels is very proud of Hunter! In his limited showing he has reached some very lofty goals. Hunter loves attention and is rarely quiet about anything! He loves to show off with the tricks he has learned which include closing the door behind him, to spinning, rolling over and speaking up for what he wants.

As a young pup Elaine and Louise saw his potential and share him with Diane Morrill and Victor Valdez in Washington state where he lived. Hunter earned his Championship finishing with 5 majors.

Meeting up again with Hunter at the 2021 ABdFC National in Utah Elaine and Julianna were able to once again see that this young boy was living up to his potential. Julianna was delighted to see the tricks that Vic had taught him!

Elaine Paquette has now taken over the leash for his specials career and what a career it's been!

A special thanks to Julianna Garrison who as one of Hunters breeders and co-owners has helped to make Hunters career a success. It truly takes a village!

We are honored to be able to compete in the 2023 Top 20 Competition.

IVAN

Ivan

GCHB CH Cassiopeia's Lance of Ivanhoe

This bundle of exuberance is known as Ivan or GCHB Cassiopeia's Lance of Ivanhoe. His breeder is Stephen Bowerman who requested Ivan be named after his friend Ivana who passed away.

Ivan finished his championship in the capable hands of Doug Belter before the age of 12 months. After some time off, Ivan started his quest for his Grand Championship with Angela Chase. They set to work and quickly polished that off. He spent the rest of 2022 with Angie learning the ropes to become a Top 20 Bouvier. By the start of 2023, he had picked up several group placements and wins in tough Southeast Groups.

When not acting silly about the task at hand, Ivan is a stallion of a dog. He boasts an impressive head and correct scissor bite. His coat is plentiful, dense and harsh with the correct undercoat that the standard calls for, while his movement is poetry in motion. His bone and substance can take on a herd of cattle like no other.

Join us tonight as we celebrate the accomplishments of Ivan.

LUCA

Luca

GCH Margaux's Black Gold At Zaza

Luca started his career by winning breed over specials and hence a group placement. That led us to Orlando for the puppy sweepstakes, where he finished his championship and a group 2 in the puppy groups. He exceeds all expectations with his enthusiasm for showing and his outstanding breed type. He is not only a fun dog to show but is everything a Bouvier should be in temperament, at times stepping into the role of therapy dog, when he thinks Greg needs it most. He has only been shown 7 times this year and at the time of printing was ranked #5 in breed points and #10 in all breed points.

Our thanks go to Sandi Lyon and Lee Calhoun, for breeding this outstanding boy. Much appreciation goes to Greg Reyna for affectionately and expertly grooming and handling Luca.

For a girl who prefers the farm life, Nash sure does clean up well. And as a girl who also prefers the farm life, I never thought I'd find a reason to continue running circles with a dog after they finished their championship! In typical Nash fashion she proved me wrong and did so with panache finding fun (for both of us!) in the show ring and ending the year among the top owner-handled Bouviers. The highlight of our show year was winning the Herding Titled portion of a Herding Group specialty show again this time as a Herding Champion/Dual Champion.

A fantastic mother, lovely show dog, and exceptional working dog, Nash is all that I could have asked for and more. I'm so proud that she has again dual-qualified in NOHS and Performance Top 20, showing that form and function go hand in hand. In the field and in the show ring, she is always owner handled.

POSIE

Posie

GCHB Quiche's Tout De Suite CGC TKN

Posie's arrival as a pup from the Paquettes in Canada was a bright spot in an uncertain world during the pandemic. She offered up a great opportunity to learn together and take our first steps as a team into the show ring. She is not our first Bouvier but she was the first owner-handled dog we have had in the conformation ring; starting and finishing her championship with Cathy in exactly one year. Since then, she has become #2 Bouvier Bitch (2022 CC Breed stats) in the PNW, a Group Winner, multiple Group placing, Best in Specialty winner and ranking in the Top 20 Bouvier all-breed and Breed las year and continuing this year. (2022 Canine Chronicle statistics).

Posie had not only performed beautifully in the conformation ring but has also dipped her toes into Scentwork, Herding, Agility, Obedience, and we hope to start Rally in the fall.

Our special thanks to our breeders, Elaine and Louise Paquette, for your support and entrusting us with this sassy beautiful representation of the breed. Thanks also to Diane Morrill and Cindi Christman for your guidance and support on this journey. And thank you Skinner Show Dogs (Tiffany Skinner and Andrew Mueller) for your handling of our precious girl.

Best wishes to all qualifiers. We are supremely honored to be invited to participate again in the Top 20 with another of our dogs.

River is a clown at heart. She makes me smile every day and has willingly tried anything I have asked her to do. The first time I hooked her to a cart, she just took off like she had been pulling it her entire life. She loves to work sheep, and we will continue to work on these sports and get her titles in them as well. She finished her Champion title going Best of Breed at a Specialty at one year of age. The following weekend she finished her UKC Championship by getting multiple Best in Shows. She has a special bond with Cameron and it is a joy to watch these two in the ring. River always puts 100% into anything you ask her to do.

CAN MBIS GCHEX RCh/Am BISS CH Boyero Triple Twist Salto Can RMX CD SDO ETD ATD-M AGN IPS JTS CGN Am CD RA

We fell in love with Salto the moment we saw him. At only 8 weeks old, his temerity, self-confidence and curiosity deeply charmed us. Salto was so much like his future bestie, Olympic diver Francois Imbeau-Dulac that we decided to name him Boyero Triple Twist Salto as an ode to Francois's career.

Salto's intelligence, eagerness to work and playfulness were going to be a perfect match for canine sports. Agility, obedience, rally, scent detection and much more, he was going to jump on every occasion to learn new abilities.

His conformation career in Canada was also going to be a great success with Multi BPIS BIS and RBIS.

In the USA, Salto impressed as well. After winning the Futurity at the 2018 National Specialty, he went on winning Best of Breed at the 2022 edition! He also performed fantastically in many sports, High In Trial in Scent Detection and Obedience, qualifying runs in agility and a new Rally title. To top that, Salto won the prestigious Multi-Level Performance Award!

We are incredibly pleased with Salto's results. However, the most wonderful part of this beautiful dog isn't all his triumph. Salto brings joy and laughter to our family every day. His goofiness and his zest in life taught us to live in the present moment and to always be grateful for the little things in life ...

NOHSBIS NOHSRBIS NOHS Gold GCH Calm To The Silver Moon and Back

Selene's been a spotlight stealer from the start. The 2021 National Specialties in Utah were her first shows. At 15 months, she was Winners Bitch and Award of Merit over many specials at the ABdFC Parent Club Specialty.

As I was still showing her mother Silver, then brother Buck, Selene was shown at only one 4-show cluster where she won all points and beat specials. At the 2022 National, she earned her 4th major and Best Bred By Exhibitor. Selene finisher her next All Breed show with Best of Breed over specials.

With Silver and Buck likely dual qualified, I decided to try to qualify Selene for the 2023 Top Twenty in spite of only three months til the qualification period ended. She rolled up consistent breed wins (and group placements) and rocked the rosettes in the NOHS ring to do it!

Selene's now a multiple Herding Group winner with 4 NOHS Best in Shows and 2 Reserve Bests. She's in the Top 10 Bouviers nationally both Breed and All Breed points in spite of sitting out some weekends so brother Buck can get some ring time. She's already earned NOHS Gold and is very near her Bronze Grand Championship.

Skye was 1 of 9 beautiful puppies from our Pink/Ruger litter who reached out and grabbed my heart at three weeks old. I was securely wrapped around her little paw.

Our first shows were IABCA and she earned her International Championship I one weekend. On to AKC – all of Skye's points were won thru the BBE class – our first litter with our first home bred pup getting her AKC Championship from Bred By with me as breeder, owner, trainer, groomer and handler. Wow!

Skye has gone on to earn her Bronze Level Grand Championship. Together, we have earned her Bronze NOHS. Skye is not just a pretty face: at the 2021 National, she received her Farm Dog and all 3 CGC titles. At the 2022 National, she earned her Companion Dog title and qualified in Rally Novice – quickly earning her RN title. In 2023, ABdFC awarded Sky two Versatility titles – Basic and Excellent.

Skye has passed all her health tests and has her CHIC number.

Skye and I have spent a lot of quality time on the road together over the past year and I am thankful she is a road warrior and competitor. More importantly, she is still that adorable pup I lost my heart to at just 3 weeks old

SPOCK

GCH Boyero Where No Man Has Gone Before

Spock was nicknamed (flanc-mou) as a puppy. He quickly managed to surprise and impress us by surpassing our expectations. Despite having no prior competition experience, he completed his Canadian championship in only 5 shows. On his 1st weekend out as a Special, he won the Quebec Regional Specialty and the Canadian National Specialty. At his 2nd weekend (warm up for the US National), he won group placements with strong competition. At his first United States show Spock earned winners dog at the 2022 National Specialty.

From the Bred-By Class, he quickly made his mark in the American National Owner Handler Series. Spock completed his US championship by winning the group that was broadcast, live on AKC TV, to the delight of his fan club in Quebec. And, at his last show before the Top 20 deadline, he surprised us again by winning two more Regional Specialties....qualifying him for this year's ABdFC Top 20 and Top 20 Owner Handled.

Beyond his showmanship, Spock is a calm dog and an exceptional and extremely loveable guy. We are proud of his achievements and look forward to seeing what the future holds for us.

Stryker picked up where he left off the previous year and so far in 2023, in extremely limited showings, has garnered multiple Group 1s and multiple Group Placements in the West and on the West Coast and is currently #4 in All Breed Standings.

Stryker is the ultimate showman, both in the ring and at home. Those of you who have seen him in the ring discovered Stryker can sometimes be just a little too much of a showman. Stryker feels it necessary to show off for any visitors we have at the house and uses the back yard as if it were a show ring.

Stryker is a well-known visitor to the local mall and also the hardware stores, such as Home Depot and Lowes, where he accompanies Joyce and George on their shopping trips. At home, Stryker can also be the penultimate couch potato, waiting for the opportunity to get in the truck to go somewhere, anywhere actually.

GCH CH Bon Idee Take Me Back to London BN RN DD CGCA TKN

Teddy came fast and furious into this world on Leap Day 2020 and she hasn't stopped. I wasn't planning on showing her myself, believing myself more of a hindrance to her potential success. Despite Teddy showing beautifully, her handler and I were frustrated – not being able to break through and consistently get the coveted finger point from judges. Fate stepped in when her handler was out of town at a specialty and I took her in the ring for the first time, walking out with best of winners both days. Her handler called me after he saw a video of Teddy in the ring and said I better keep taking her in if she was going to show like that for me.

We have found that Teddy LOVES to perform – I am simply along for the ride as she strides around the ring like nobody's business. She won Best Bitch in Futurity at the 2021 National Specialty under breeder judge Pat Murray and continued her winning ways, finishing her championship soon after the specialty and her grand in two weekends (five 5 point majors!).

Teddy continued to charge full steam ahead and has since taken several breeds and placements in both regular and owner handler groups. I look forward to her continued success both in and out of the show ring as she continues to show her aptitude in performance venues as well.

We congratulate all the qualifiers in both conformation and performance venues of their hard work this past year!

I am so honored to have Link among the 'Elite' in the Performance Top Twenty! Congratulations to all the dogs here and to every one of you who has ever set foot in a competition ring or arena with your Bouvier! These dogs are hands down the best – but not always the easiest!

Link is my full time stockdog here on the farm. I run a herding training facility and he gathers sheep and geese daily and helps sort them into groups for the day's training lessons. He is a true working dog. It's amazing watching him do what he was bred to do. I love that he gets down and dirty all week long, then gets cleaned up for his weekend modeling gigs - which he does pretty well at as well! He is such a goofball and everything we do we have so much fun! Link finished his AKC Herding Championship quickly and is now the top winning Dual Champion Best In Show herding dog in AKC history. As his breeder and owner, I am so incredibly proud!

Quinn is one of the sweetest Bouvs I've ever known. She has an easy going and steady nature. She is faithful and loving. And, she has a silly side that brings a smile to your face. Quinn began competing in Agility early in 2020. I wouldn't say that she loved the sport initially. But, she sure loved the grilled chicken pay off. She made slow but steady progress through Novice, Open, Excellent and Masters and last year was asked to participate in the AKC Agility Invitational in Orlando. I was a bit concerned that the venue would be a little overwhelming for Quinn. The exact opposite was the case. SHE LOVED IT. A new agility enthusiast was born and we've been running happy ever since.

SHAKESPEARE *Shakespeare*

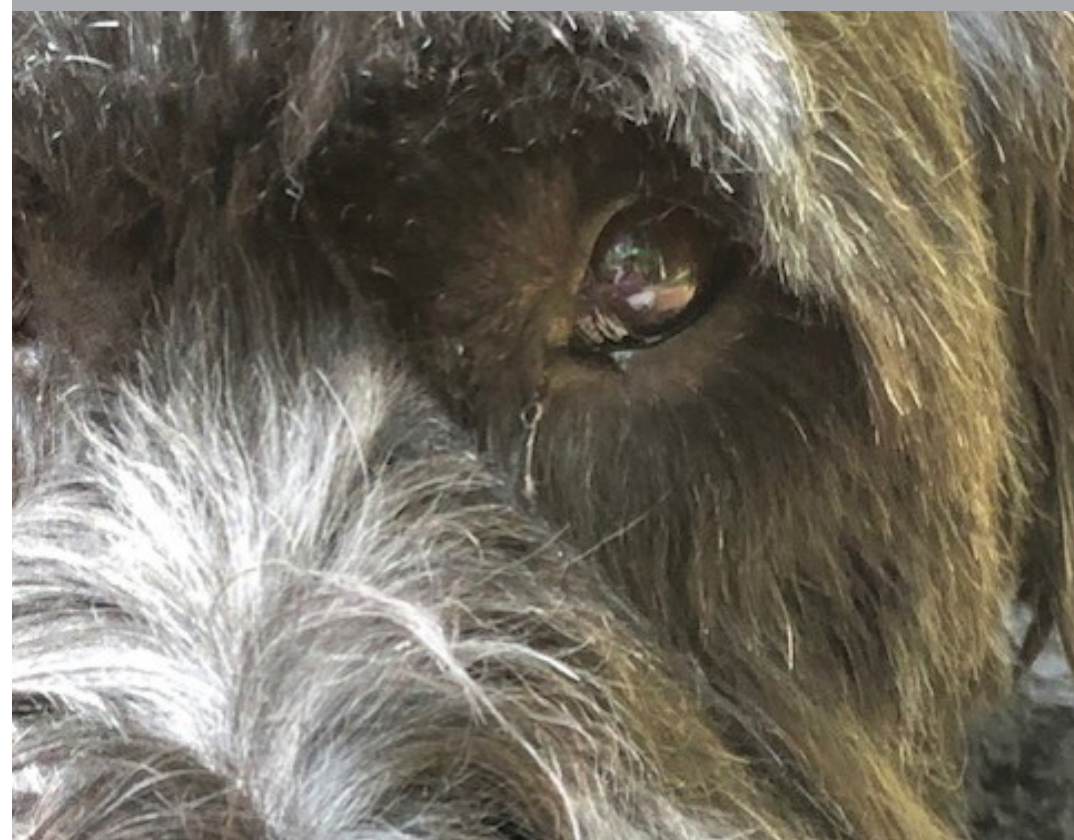

Blue Sky's King Hamlet's Beard TKN ELT-Champion

Blue Sky's King Hamlet's Beard, or Shakespeare as we call him, is our first Bouvier des Flandres. That, alone, would make him special. Shakespeare has shown himself to be agile, intelligent, spirited and serene. He has been an amazing companion to every member of our family. He is everything that makes the breed wonderful.

He has enjoyed training and trialing in agility, freestyle, and Nosework with his human mom. He earned his ELT-Champion this year. He was wonderful when his junior handler started running him in "Agility for Fun" class at five years old. She's always paused a second when he got on the dog walk – he towered over her at that point. He is a warm place for his canine brother, a Maltese, to cuddle up, and a fun brother for his sister, another Bouvier to play with. For his human dad, he is happy to help in the kitchen.

This is fourth time being recognized as a Top Performance Dog by ABdFC, something to celebrate as we celebrated his twelfth birthday this June. Blue Sky's King Hamlet holds a special place in his family's hearts.

This is the 5th straight year Jaheira has been celebrated as a TOP TWENTY PERFORMANCE ELITE. She is 12 years old and has accomplished much in her long prolific career. She was the first Bouvier to achieve a RM (rally master title) and a RACH (rally championship). She was the first dog in all of AKC to win a RACH 5 RACH 6 RACH 7 RACH 8 RACH 9 and RACH 10. She is the only rally competitor to have higher than a RACH5. She has more RAE RM and RACH titles than any dog in the history of AKC. As she is 12 and having a harder time jumping, she retired at the end of last year as the upper-level rally classes all require jumping. She was NOT happy about that and really missed competing. Fortunately, recent the AKC introduced Rally Choice class, which is essentially rally master with no jump. We entered and Jaheira was overjoyed to be back in the ring again, competing. She was literally bouncing and smiling at every station n during her runs. Hopefully she can continue to compete. She also continues to love her career as a therapy dog and recently passes her certificate for the 6th time. I am hoping for more great years with my special girl. There will never be another dog like her and I am honored to be "her parter".

This is the second year in a row Arya has been recognized as a TOP TWENTY PERFORMANCE BOUVIER. Last year as a "regular" and this as an ELITE. Like her namesake Arya Stark, she is small but mighty and very confident and loyal. She has achieved 3 Rally Championship titles (RACH) in the last year. Last year she was named not only #1 Bouvier in AKC rally, but also #1 in herding group and #1 all-breed in AKC rally competition for 2022. She has won several high triple combined and high combined in rally during her career thus far. She has also been successful in the obedience ring as well as FASTCAT. I can't wait to see how far she goes. I hope for a long career with her. Who knows she may even surpass her "big sister" Jaheira in the rally world.

One of her greatest talents in as a therapy dog, a "job" she absolutely loves. She believes it is her duty to greet everyone everywhere and "make them feel comfortable and welcome". She is awesome at it. She has even delayed going into a ring to compete because she senses "anxiety/nerves" in other competitors, both human and dogs and thinks it is her job to calm them down, We continue to progress in both rally and obedience and in typical Bouvier fashion, it's done her way.

Casey's sweet and comical personality makes her so easy to love. This has been a year for our home, but despite all of our challenges we encountered Casey managed to achieve huge goals in our agility career.

In the fall she was awarded her MACH 4. Only one other Bouvier has achieved this title. I tell Casey all the time she is the best agility Bouvier ever, and this year she made it a reality. Early this year Casey made it to the #1 spot of the AKC rankings for Regular Class Agility for a Bouvier. Casey also achieved many other agility titles this year, but the one that is a first for the Bouviers is a Premier agility title. This title is very hard to achieve due to course difficulty and time constraints. Not bad for the runt of the litter.

I want to acknowledge the passing of two agility record setting Bouviers. First is Grace her four-legged mom. Grace is the highest AKC ranked agility PACH Bouvier and had many other performance titles. Second was Casey's 14 year-old big brother and gracious teacher, Brutus. He was the first MACH PACH and PACH 2 Bouvier. He was the number one AKC agility Bouvier for 4 years. Both were loved and are greatly missed.

Thank you Leslie for placing Casey in my life. Thank you to the committee for this honor. Most importantly, thank you to God for making this special little girl just for me.

It is bitter-sweet, but also a great honor to see Mina as an Elite member of the Performance Top 20. We were blessed to have this happy, energetic, mischievous, loving, playful, working dog for 8 years. I wanted to share her final accomplishments.

She started out the performance year with gusto, competing in Obedience, Rally, Agility, Barn Hunt and Carting.

Obedience: She earned 3 UDX legs, while earning the Highest Combined score. We lost a run off for the High in Trial that day. We were close to earning her Obedience Master title.

Rally: She earned her RAE2 title and was points away from finishing her RACH. She earned 4 Triple Qs and a High Combined.

Agility: She earned 4 1st placements in Preferred Jumpers and Standard classes, and was invited to the Championships.

Barn Hunt: She earned her Open and Senior Barn Hunt titles.

Carting: she earned the ABdFC Carting Championship-2 title, as well as NAWBA's Grand Master Draft Dog-2 title.

In Herding, we finally got to 12 o'clock and sometimes even found balance.

I thank God for the time we had, and the adventures we shared. I will carry her with me always.

Painter has had a wonderfully successful year. In October 2022, at the Bouvier Nationals he earned the final qualifying leg for his Champion Draft Dog Title. In February 2023, he earned the final qualifying leg for his Utility Dog Excellent Title. In the process of earning the UDX, he also won some Obedience Championship Points and therefore was invited to compete at the National Obedience Championship in June. He completed the long day of competition and qualified in 21 out of the 24 exercises spread throughout 8 rings. We were first in the ring at 7:30 AM and entered the final ring at 4:30 in the afternoon. In addition, he only needs one more first place with at least a point for his Herding Championship. Future plans are to continue pursuing the scent sports (nosework, scentwork & tracking).

Not to be outdone by her older "brother", Nash had the grace to wait almost a full 24 hours before matching Mal's Herding Championship. Earning a HC on any dog has been a dream of mine for years, and finishing two on the same weekend is something I never could have imagined. But then again, I never imagined I'd have such a talented, drivey girl on my team!

Nash is special in so many ways. A chip off the old block, she always enthusiastic, tail wagging and ready to work. Being praised for a job well done? Tail wagging. Attached by angry geese? Tail wagging. Being shouted at for ignoring me from across a field? Tail REALLY wagging. It is so nice to have a teammate who is always happy to try something new with me, and she continues to be a dream of a partner and an absolute joy to work with. I'm so proud of all that she's accomplished, and I can't thank Jill enough for breeding something with such brains and beauty....and allowing me to take her home so that she can steal my socks and hog my pillows.

Broker began his herding career in Arizona working on cattle. Consequently, there were a few issues that needed addressing when we moved to California and began working sheep. Issue such as "NO!!! NOT ALLOWED!!..these are sheep! GET OUT OF THAT!!! He was way too much dog for me so I turned him over to Jill Reifschneider to work him. Many Bouvs won't work for anyone other than mom. Not Broker> As soon as we got to Jill's place I was all but dead to him; he only had eyes for her. She let him play with sheep after all, that made he his best friend!

I'll be honest. There were moments I thought he would never get any titles but Jill never had any doubts. She guided him through all the AKC levels right up to and including his Dual Championship. Along the way he got a High in Trial and several reserved. Who says a Bouvier can't beat a Border Collie?! Certainly not Broker.

"You just need to put in the miles..."

Starting from no experience, having never trained or handled a dog before, it often felt like this dream of earning a Herding Championship would never come true. There's just SO much to learn – well, mostly on my end...Mal has always had the better idea of what we were doing out there. While his Boy Dog Goofiness and penchant for making runs a little too fun is, at times, a bit frustrating, Mal enters the arena with such joy and enthusiasm that it's hard to fault him. How can you be mad at a dog who puts his whole heart into all he does? I'm so proud that my Heart Dog and "Dog of Firsts" is also my first Herding Champion/Dual Champion, and the first ABdFC Champion Draft Dog to earn an AKC Herding Championship. I could not have asked for a better, more versatile teammate.

Thank you, Jill, for getting us here and for not letting me give up along the way. But most of all, thank you for convincing me to be the one out there with my dog putting in those miles. The journey was so worth it.

It is such an honor to have Brio once again making the Performance Top 20 this time as an Elite. He earned his AHBA Herding Trial Championship with 10 consecutive scores well over the 80 points required.

He has more than exceeded my dreams of what we could accomplish. Working in Rally, Obedience and Herding, Brio has made the Top20 – 4 years in a row. He is just a few short points away from earning his AKC Herding Championship. He's earned points every weekend that he's been entered.

He loves to work. He loves his ducks and me and cheese! Not sure which one he loves best....

Being a senior does not mean retirement for him. In addition to finishing up his HC, he is actively working toward the third herding championship, ASCA's WTCH. We are starting to campaign for his Utility title and Scentwork. We are starting on tracking as well. Sitting on the sidelines is not for this boy!

I congratulate all who made it to the Bouvier Top 20. You know the fun, hard work and partnership that has gotten you and your dog to this distinction.

Chloe has surpassed all of my expectations. She has proven herself over and over again at shows and trials but she is a member of our family first and foremost. She loves just going with me anywhere and has a fan club at Hobby Lobby. She attends monthly library meetings where kids read to the dogs. She also participates in the Master Showman Competition at our County 4-H Fair where all the Supreme Showmanship kids come in the ring together and show one of each species to determine an Overall Supreme Showman. The most fun we have had in all venues is with our cart. We have traveled many miles all over the country to draft dog trials, including Virginia, Georgia, Texas and Wisconsin. She has earned three NAWBA Draft Dog High In Trials. She is a sassy girl and barks at me when I ask her to back-up in her cart but I love it. Chloe has earned 12 Best in Shows at United Kennel Club Shows including the first dog to earn Best of the Best at the UKC Premier Nationals in 2019. She was also the Reserve Multi Level Performance Dog at the 2022 Bouvier National Specialty. She excels at anything I ask her to do, including being a Mom to 18 beautiful puppies from two litters. But most importantly I love her and she loves me.... She loves pancakes too, but I think she loves me more than pancakes.

Congratulations to all the Elite Performance dogs

I am extremely proud of Painter's achievement as the #1 Performance Bouvier this year. He earned his Utility Dog title in August of 2021 and has accumulated 5 of the 10 legs necessary for his UDX title. In addition, he has been awarded the Master Draft Dog Excellent title and has accumulated a total of 8 qualifying legs in drafting. 10 legs are required for a draft championship. He started his AKC Scent Work career last Fall and has earned the Scent Work Novice title, as well as Advanced titles in containers and exteriors. Herding is still his favorite and we continue to compete in herding trials and accumulating points towards his herding championship. He currently needs 5 points to achieve that title.

Min, "Party of One", as a good friend nick named her is always up for a good time. She enjoys obedience and rally but is most excited by all things nose. She loves tracking and scent work. She was doing well in the spring of 2022 completing her advanced scent work titles, but was handicapped by her handler. Lynn decided to get help so the two of them took some lessons that summer and once fall arrived with cool weather they were ready. Min completed her all of her excellent level scent work titles, most of her Masters titles and Elite Masters Containers titles this year. When Min completed her first Master title in the fall she was eligible to enter Detective classes. So we entered to learn what they were like. We were then dared by a longtime friend to be ready for Detective. So we quickly got busy and figured out the Detective level classes, with Min qualifying her first try. She also received a High in Trial at the Masters level. Min is looking forward to continuing scent work and all her other activities.

This is Casey's sixth time making the Top 20 Performance Bouvier list, but probably the one that means the most to me. I was diagnosed with cancer in March of 2022. My two Bouv girls were there with me through it all. They both deserve Therapy dog initials behind their names for all the support and love they give me.

On my good days Casey was always there willing to run agility with me, achieving numerous master titles and serving as a teacher for her little sis Luna. Casey remains ranked as the #1 AKC Bouvier in Regular Class Agility as a lifetime achievement. As long as I have organic Cheetos and salmon, I am sure she will run with me to the finish line. As Casey is slowing down with age, I treasure every run I have with her as my partner. The picture you see in this catalog is Casey's first jump ever in an official agility ring.

Casey loves to learn new skills, so in our downtime from running, she mastered over fifteen new tricks to earn three trick dog titles. If there are treats involved, Casey is willing to learn.

Thank you to the committee for this honor. Thank you to Leslie for saving the bossy little runt of the litter for me. Most of all thank you to God for blessing me with this beautiful, talented and loving little girl.

Congratulations to all the Elite and Top 20 performance teams. We are proud to be among these many fine Bouviers for the fourth year. Febe might not be the sharpest knife, but as evidenced by her titles, she is carbon steel tough and Swiss army versatile. When she is good, she is very, very good, and when she's not, she's my Bouvier. I am grateful to her breeders for both Febe and their ongoing support and delighted to see her pups' and grandpups' success in conformation and performance. We appreciate our trainers and all the two and four-footed friends that we have made through "dogs". We enjoy and learn from this journey together. We wish health and happiness to all ABdFC members and their own top dogs.

This has been an amazing year for Zack and being 11 hasn't stopped his outstanding performance. This year we will compete in AKC Detective, going toward our Master Elite 2 title, NACSW NW3 and Fast Cat which is his biggest joy. Zack can hardly handle his excitement getting to the start line. At his age he isn't the fastest but watching his delight makes it worthwhile. As long as he is able, we will continue to pursue events that he loves and forget about those activities that bore him.

Zack has been such a Blessing in our life, we are so happy to be able to share so many wonderful years with this beautiful, loving boy. He brings happiness into our home and keeps us going. We look forward to loving and caring for him as the year go by and pray we have many good years ahead with this gentle giant who knows my heart and soul.

IntSR NatSr HnrSR SE SI MC AN Legacy's To The Last Man TD BCAT SWE SCM (aka Zury) is my second Bouvier. He is the son of my late Grand Champion Legacy's Zane Grey. I was hoping for a Zane son – stoic, calm, and a presence that filled the room. Instead, I got the dog I needed – a bit of a wild child with goofball tendencies and an off the chart prey drive. He has been both a joy and challenge to train with many laughs (and tears) along the way. Tracking is his favorite thing to do, although I'm sure he would say chasing bunnies is right up there. Covid and my bad knees have held us back some, but he has managed to get a couple of conformation titles and the first leg of the Champion Tracker title. He has reached the Master level in AKC scentwork and the Superior level in UKC nosework. Thank you to Dr. Denise Bohn introducing me to this breed. I really love this breed and wish I could have brought them into my life sooner. We are so excited to part of the 2023 Top 20!!

Leisel is an affectionate, intelligent, and alert girl. She is a high quality and consistent performer who (mostly!) believes in teamwork. One of her enduring qualities is that she wags her tail while in performance sports. It is most obvious on the agility pause table but can be also seen during Rally & Obedience.

Leisel is a versatile competitor who has earned Conformation, Obedience, Rally and Agility titles. On the journey to her RACH title, in all-breed competition, Leisel earned 11 Highest Combined Triple Qualifier awards and 3 High Combined awards. At the 2022 Rally National Championship Leisel placed 15th out of 149 dogs in the Championship competition earning 397/400 points (99%).

Leisel continues to achieve – at the 2022 ABdFC National Specialty she was High Scoring Bouvier at the October 10th Agility Trial – scoring 100 for both the Master level Standard and Jumpers courses and double Q'ing that day. In 2023 she completed both her Master Agility Standard Preferred title (MXP) and her Master Jumper Preferred title (MJP).

Special thanks to Patricia Murray (I'm Special Bouviers) and Michael Cote (Bovarius) for entrusting me with Leisel.

To qualify, Chief earned 7 high-level working titles between May 1, 2022 and April 30, 2023. At only 5 ½ years old, Chief presently has earned a total of 52 working titles! He is recognized this year by the AKC as Scent Work Master.

Chief is a joy to train! A Versatile boy, he has participated and titles in Scent Work (both AKC and NACSW), Obedience, Rally and Carting. He has earned blue ribbons in all of these sports, proving a Bouvier can not only do it, but do it in style.

Chief is known for his comic antics. He loves being funny. In his spare time, he enjoys posing for his friends on Facebook, showing off the flowers in our garden, playing in his ball pit, or carrying around one of his many buckets.

Chief in my 6th generation descending from my DeLux foundation girl, CH Chenille de Lux CD HT TT SchH1. It truly took a "village" and several miracles to get him and his brother to the whelping box. I am proud to be not only his breeder but also his owner, trainer, handler and friend.

Chief enthusiastically meets challenges in various dog sports and excels at any given task. It is my honor to work with a dog so willing and intelligent. Our bond is immeasurable. I look forward to continued achievements with him by my side. He is truly worthy of his title ABDFC VERSATILE BOUVIER GRAND CHAMPION.

Kanti has been a life lesson for me. Like many “working” Bouviers, she was a challenge as a young dog (mildly put). She trained in obedience and agility for the first year showing great promise, but her sound sensitivity dictated finding her a new sport. Nosework fit her perfectly. She has finally learned to work as a “team” with me in the last 2 years. I have learned to adjust to work with the dog that I have, not the dog I thought I wanted. She has accomplished all of her Nosework titles with in the last 2 years and is now earning her Nosework Champion levels.

Kanti is the hardest puppy I have ever raised. Rules did not apply to her. It took more than a year to find the right approach to corrections when needed. If she didn't like what you asked her to do, her response was to close her mouth on your arm, apply light pressure and look you directly in the eye. She showed great promise in both competition obedience classes and agility training early, only to "shut down" as she became competition ready. Her sound sensitivity eventually dictated finding her a new "sport" without all the noise. Even Carting with the noise from the cart, harnesses and other carts bothered her. Nosework fit her perfectly. Like so many of us, Covid put the brakes on many of our competition sports. To get her "out" and doing competitions, I turned to UKC Nosework while waiting for NACSW trials to resume. She showed me quickly that all our training was not wasted, completing all her Novice, Advanced, and Superior elements along with most of her Master and Elite elements in 1 year along with picking up her NW2 title.

Alpine Lanoe Hawker FDC NAP OJP SWA SCM SEE SBE SHDA

The e-mail came "CONGRATULATIONS YOUR BOUVIER IS A PERFORMANCE BOUV!". The tears began to run down my face with bitter-sweetness – my boy had passed away in June and he was still giving all he had to bring me joy. I have wonderful memories of all the good times and adventures we shared of 11 years of being together. It didn't matter if we won or lost just being together as a team was what it was all about. I was blessed to have had him in my life.

BRADY

Brady

**Quiche's Patriot Laurendell CDX BN GN GO RM AXP OFF ACT2
ACT2J TKA**

Brady joined our family in late 2016 as our fourth Bouvier. While our first three were great dogs, Brady is our most active in the AKC world. I had never trained and trialed in several different disciplines, but Brady was easily trained and somehow just knew what to do. He is an enthusiastic worker who pays close attention to me.

Brady progressed quickly through the Rally titles including Master, qualifying for two Rally Nationals and competing in the 2019 Rally National. As we moved through the AKC obedience titles, he and I learned together as I had never trained beyond CD. We earned CDX and GO with ease.

Agility is Brady's favorite sport. He has zipped through the levels to Master in record time. He does like to scratch his back in those low 24" tunnels, making spectators and judges smile!

We are so proud of this handsome Bouvier. Thank you to ABdFC for recognizing him as a Top 20 Performance Bouvier. I do wish Diane DuMaresq (RIP) were here to help us celebrate.
